CUSTOMER SATISFACTION WITH OUR PRODUCT IS THE KEY TO OUR SUCCESS!

For several years we have topped the annual Florida Bull sale with our Charolais bulls! We rely on the many repeat buyers that continue to support our program. Here are a few photos of calves sired by our bulls that belong to our Florida customers! Including this Champion Show Steer!

Steer sire is by a son of **BC E46 Duke B01 P ET**, our senior herdsire. This steer had a 0.8 BF and weighed 1350! His sire was purchased in the Florida Bull Sale and is shown by Luke Teuton, Ocala, Florida.

Congratulations to Jake Huckaby for selling the 2nd High Selling bull in the 2021 Charolais for Profit Bull Sale in Texas, sired by **Legalentity Son B1747**, our junior herdsire. Purchased by Bruce Roy of Mansura, LA.

CUSTOMER CHAROLAIS CROSSBRED CALVES IN FLORIDA

THE “DUKE” BUYERS DRAWING

ALL BUYERS WILL BE ELIGIBLE FOR A DRAWING OF 10 UNITS OF SEMEN ON BC E46 “DUKE” B01 PET.

This bull has accelerated our program quickly! His calves have abundant thickness, eye-appeal, and style. The daughters have magnificent udder quality, with excellent volume and correct placement with correct teat size. We just don’t have enough of them! The bulls are equally good which makes him a well-rounded bull to use successfully in most any herd. His sons have topped the Florida Bull sale the last two years!

**Semen is available: \$25/unit; \$35 signing
Semen will be available at the sale, bring your tank!**

T.K. WATKINS SCHOLARSHIP AWARD

Mr. T.K. Watkins, father of Mike Watkins, was a lifelong farmer. He used Charolais Bulls as herdsires for his commercial cattle operation for many years. Mr. Watkins greatly enjoyed being around the Tennessee Charolais Association breeders. In his memory, a \$1,000 annual Scholarship will be awarded each year in March at the Tennessee Beef Agribition. Each year a heifer will be donated by Little W Farm and sold at the production sale with all proceeds going to the scholarship fund. Please contact us for applications and information.

1

PICK OF 2021 BORN HEIFER CALVES

EXCLUDES ALL ET CALVES | DONATED BY TK WATKINS SCHOLARSHIP FUND

This includes all heifers born in 2021, except those designated for the Sale of Excellence May 1, 2021, or any ET heifers. Every other heifer in the herd is eligible for selection. There are many excellent heifers that weren't old enough for this sale that are the very top of the herd!! Your next show prospect, potential donor prospect, or a great addition to start your breeding herd. This is a great program to honor one of the very earliest supporters of the Charolais breed, T.K. Watkins!

Sells Open. One of those very elite Braxton heifers that are so popular. She has very good CE and BW numbers combined with excellent growth EPDs. The Braxton's have great dispositions, very correct skeletal design, excellent thickness, and style! The Braxton's in Canada are reported to be some of the best udder quality females in the breed. Since semen is very limited on Braxton, this may be one of the few opportunities to obtain these great genetics.

Sells Open. A sib to Lot 13, these two Braxton's would make a tremendous pair to obtain. The virtuous influence of Lambeer is also present. Again, the birth weights on these are exceptionally good, the numbers are balanced across the board. Lindskov-Thiel used the Lanza bull in their program. These Braxton's also represent an outcross to most U.S. genetics enabling you to use on most all bulls in the breed.

3 months Safe in calf to Welcome Grove Rave 1824 ET. Sired by our newest herdsire addition from Lindskov-Thiel, River Dance is definitely the right combination for growth, thickness, and eye-appeal. Both his bulls and females have been awesome. Dam is a paternal sib to the dam of Lot 48, both sired by Sir Impressive 8191, the former AICA #1 YW EPD leader. The blend with Fargo should be outstanding mating.

3+ months Safe in calf to Hayden G840, M941791. Hayden is a calving ease son of M6 New Standard 842 P, ranking in the top 4% CE, 7% BW EPDs and in carcass in the top 15% for both CW and REA and Fat EPDs. This Foreman daughter also is tops in CE and BW numbers with good performance. Dam is sired by a former AICA National Champion sire, Turton, who has sired many champions. She is line-bred TR Mr Fire Water 5792R.

Sells Open. A great opportunity to acquire a Benelli 2134 daughter, who will be a paternal sib to WC Milestone 5223. Her dam is out of Raile's great performance sire, T077. Also the influence of Mr Fire Water, the sire of more winning progeny than any other sire in history. Good EPDs all across the board makes this top young prospect a good investment!

Too young to semen test, but a guaranteed breeder. Lots of eye-appeal in this stout young prospect. Out of a great female producing sire, LHD Guarantee P632, whose daughters have fabulous udder quality and size. The influence of the \$50,000 JWK Ruby E205 also included. Sire is the popular Denver Champion, TCCS Saint Christopher that sires modern clean-lined progeny with great growth, correctness, and style!

Too young to semen test, but a guaranteed breeder. This Benelli son may be the link to a great herdsire for your program. Passport, the sire of Benelli is out of one of the great maternal sires, JDJ Smokester J1377 P ET. On the bottom side you have Cool Rep, one of the all-time great performance sires in the breed and sire of over 1200 calves registered with AICA. Another great herdsire prospect!
