HEALTH

All animals will be accompanied by proper health certificates making them eligible for interstate shipment. Prospective buyers should make themselves aware of health requirements for their respective states. Females selling as pregnant will be checked by a certified veterinarian and called accordingly.

TRUCKING

Trucking is available. Contact the Sale Manager or Consignors for arrangements.

ANNOUNCEMENTS

Announcements from the auction block will take precedence over the printed material in this catalog and other announcements.

ABSENTEE BIDDING

If you will not be able to attend the sale, please contact the Sale Manager, Auctioneer or Sale Staff to secure your bidder number and place your orders.

TERMS

Terms of the sale are cash or check payable to the Sale Clerk. Cattle will not be released until payment or satisfactory arrangement for payment has been made and approved by the Sale Manager. The Sale Manager reserves the right to require a certified check as settlement before releasing any cattle. All lots sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer. His decision will be final. All lots offered sell under the standard terms and conditions endorsed by the American-International Charolais Association.

PURCHASER'S RISK

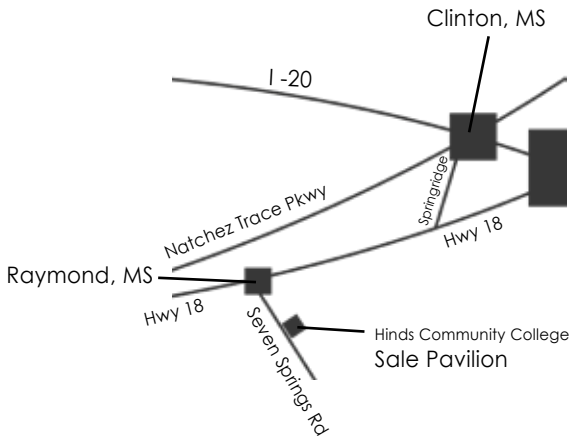

All animals become property of the buyer as soon as declared sold by the auctioneer, unless other arrangements are made prior to the sale.

LIABILITIES

All persons who attend this sale do so at their own risk. The Sale Manager assumes no liabilities for any accidents that may occur. The auctioneer or Sale Manager assumes no liability for loss or injury to the livestock due to theft, mysterious disappearance, sickness, or improper handling.

ONLINE BIDDING

Online bidding will be made available through Cowbuyer.com. Please contact Cowbuyer.com to watch and/or bid online. Online buyer registration must be completed prior to sale start.

Friends and Fellow Cattlemen,

It is my honor to welcome you to this year's, The Pride of Dixie Sale, sponsored by the Mississippi Charolais Association. I hope this finds you with warmer days and green grass aplenty. We have a great event planned with some of the best cattle and genetics from the Southeast to showcase. Whether you are looking for show heifer prospects, open or bred heifers, cow-calf splits, bred cows or cow-calf pairs to put out on that green grass, you will find no better selection in the Southeast. Please consider this your formal invitation to attend.

I would like to take a moment and thank all the consignors for digging deep into their respective herds and bringing these quality genetics to town. It is through their efforts that such a great set of cattle can be offered.

Take your time and look through this book, mark your favorites, and plan to join us May 7th and 8th. If there is something I can do to assist you in any way, please do not hesitate to call!

Thank you,

Wes Chism

I had to do some begging to get his female into the Mississippi sale. Jimmy Ray always said this cow would live out her days at Clear Water Cattle, but he wants to consign his best and this is truly one of the best. CWC Elvira 313 traces back to the ultra-successful Elvira donor and is sired by the legend himself, LT Ledger. You will not find a Charolais cow anywhere with more body and internal dimension than 313 and she has an awesome udder and stands on a perfect foot. She is bred to High Cotton, which works, the last High Cotton bull just sold for \$5000. Great female that could be a great donor.

CWC Mary 317 is another top notch, proven cow from the heart of our herd. She is high volumed, big, easy fleshing and stout. Blending Field Rep with our Mary cow family was a home run. Over the years several of these females have sold into registered herds. 317 is just good solid cattle that always raises an outstanding calf as evident of her November High Cotton calf and she is bred back for another one.

"I cannot believe I am selling this female, I am intotal disbelief," says Jimm Ray. This female has a beautiful udder that gives tons of milk, just look at her SHF Absolute bull calf. 412 has a long, extended front hind, level down her top with a big sweeping rib cage. I would almost dare to say you could not draw up a better cow. In addition she is a dam of distinction. She is bred to LT Inception and you know that will be an outstanding calf.

A top 15% TSI ranking is just the beginning of things to like about this outstanding young female. A balanced EPD spread with top 5% rankings in calving ease, scrotal circumference and carcass weight make her a balanced herd improver. Her moderate frame and tidy udder are the icing on the cake. The heifer calf at side is chock full of maternal potential. With calving ease, birth weight, milk and total maternal EPDS all in the top 10% of the breed, she is sure to grow up to be a maternal superstar like her dam and granddam, who is still a Foundation Female at 4 Roots.

These Samacus cattle are some of the best milking Charolais cattle I have ever been around. This female traces back to the Bar H R Permormer 934 cow which is the bases of so many good Charolais females and this bred heifer is going to make a great cow.
