Welcome From Outfront Cattle Service!

The Mountain Empire Charolais Association and I would like to invite you to the 2021 Appalachian Classic sale. With lots of new consignors and new breeding programs that will entice any serious breeder to evaluate along with the strong, steady consignments of breeders that have always participated with superb quality!

We have a very strong set of bulls, ready for service, with breed leading genetics and numbers! This would be a great time to update your herd sire battery with some outstanding genetics. It includes a special offering from Kyle Reaves with a choice of 3-tremendous prospects!

We have a great set of 3-in-1 pairs, some extra fancy young open heifers, bred cows and heifers, exclusive embryos and semen. You will be excited as you study the catalog and evaluate the opportunities to add this much quality to any herd! Some of the sale topping genetics from all over the U.S., Canada, and New Zealand are being offered. Household names like Fargo, New Standard, Silverstream Evolution, King, Uncharted, Maximo, Smokester, Tank, Foreman, Field Rep, Resource, Patriot, Fresh Air, and many others are included.

Consignors are representing TN, KY, VA, GA, NC, SC, and TX for plenty of diversity in programs. This is truly a sale worthy of consideration for adding or beginning a program. If any of us can be of service or help, please contact us!

All Proceeds Donated to
AIJCA NATIONALS IN PERRY, GA JUNE 20-25TH!

Sells bred to Hayden G840, M941791, and DUE: 10/2/21. Hayden is a M6 New Standard 842 son out of an Impressive D040 cow. TOTAL proceeds from the sale of this heifer is donated to the AIJCA for the Jr Nationals in Perry, GA this summer. Thanks to Wayne and Lois Bennett for the constant and dedicated support of the Junior Charolais programs. This outstanding heifer is an exceptional offering! Her dam is a tremendous donor at the Oak Hill ET program, a great milking Cigar out of the Nancy cow family on the bottom side. JCA Ali ET donor was used heavily in the Three Trees ET program. Her sire is the popular show sire, Resource 417, who is the sire of over 1718 progenies with AICA. He has many sons working as herdsires in registered programs. His offspring has been very successful in shows and sales. Lady J831 ranks in the top 15% for Milk EPDs, 10% MTL, and 20% REA for breed numbers. The more you see of this heifer, the more you will like, and it goes to two great causes, the AIJCA and a breeder wanting to add the best to their program.

12A: Pld bull calf, born 3/21/21, sired by WC Uncharted 7328 P, M898749. One of the most exciting sons of Resource 417, this calf will have great numbers and a highly marketable pedigree. His dam is an own daughter of legends in the breed, Smokester and L428, the stalwart of the Evans' ET program in TX. The combination of DeBruycker genetics blended with LT and WC genetics is proving to get outstanding results!

Sells Open, ready for spring or fall breeding. Dam is a maternal sib to Lot 27's dam. The Smokester influence adds tremendous ability for milking and carcass. The dam of Vistor is the Bell 630 donor cow that produced over 21 progenies for Welcome Grove. These two heifers would be ideal to take both home for developing a very uniform quality herd. 010 excels in growth EPDs with added value of her light bw of only 75 lbs.

60A: Pld bull calf, born 4/3/21, sired by ABC Maximo Toro Legado, M868164. Legado is a A.B. Cobb bull that produced the 4th high selling bull in Cobb's April Bull sale. He was out of a first calf heifer and Cobb's are still using Legado through A-I. A beautiful, perfect udder quality on this very feminine, long bodied, straight top brood cow. She possesses very useful EPDs and her outcross bull calf will be very interesting for you to observe.

61A: Pld heifer calf born 3/25/21, sired by ABC Maximo Toro Legado. You will love the thickness and volume these Legado calves exhibit. Dam is a featured donor cow for Arlitt Ranch. There are full sibs to Angel in Rick Evans, TX., Foster Campbell, LA., and Floyd Charolais, KY herds. H124 produced a Cigar daughter for Double-H that sold in the Sale of Excellence for \$10,000. 692 has a calving interval of 4/19; 4/20; and 3/21.

Selling 10 units semen on DC/BHD Frontline H63 P. The high selling bull in the 2021 DeBruycker bull sale April 3, 2021 at \$20,000 for 1/2 interest. His 205 day Index was 114% for his 820 lbs. His 140 Avg. Daily Gain index was 116% with a 4.37 lbs per day. His WDA was 108% and final Adj 365 day wt 1352 with a scrotal circumference of 42 cm. A very smooth, complete sire with loads of volume and capacity. Tremendously good disposition, long bodied, strong, big thick top, with good bone.

In Memory of Mark Howard

Many breeders feel lost without Mark. He traveled all over the U.S. helping fellow cattle people with their transportations. Many breeders said they never worried about their cattle when Mark was in charge. He treated everyone the same and the cattle superbly. We all enjoyed visiting with Mark and when he walked into the sale with a big smile, you knew you would have a great conversation with him. Mark was very solid in his beliefs and principles, but never forced them on anyone else. If you needed information, you called Mark, he was in constant conversation with breeders all over the U. S. Mark at 58 left a beautiful family, his wife Debbie, two daughters, and a grandbaby he adored. We all had great stories about Mark and will always remember him!

More Pounds

MORE PROFIT.

Breeding good cattle isn't complicated. Cattle feeders give us the ultimate report card. According to Jared Wareham, Top Dollar Angus, *"No other option offers the greatest terminal crossbreeding value from the ranch through the feeder like a really good set of smokes or buckskins that are at least 50% Angus or Red Angus."*

Use a registered Charolais bull and genetic verification through CharAdvantage to earn more premiums.

Why?

- Market demand
- Predictability
- Increased weaning & yearling weights
- Easy calving
- More live calves
- Adaptability
- Value of Charolais-cross females
