**Tuesday, June 29, 2021**

**Curtiss, Wisconsin**

# Welcome . . .

Welcome to the dispersal of Lonely-Mile Holsteins. Although it is a bittersweet day, we look forward to slowing down, perhaps doing a little traveling and spending a lot more time with our grandchildren.

Over forty years ago, we became the second generation to own and run this incredible farm. Through the decades we've raised three children and have seen multiple grandchildren learn about life here. Alongside our children we've raised many special homebred cows. Cows that milk like crazy and look great doing it have been the goal of our breeding program for years. Cows like the ones you will soon see enter the ring have been a joy to work with every day. We rely on cow comfort, feeding high quality forages and attention to detail to put milk in the tank.

Through the years, we've made countless memories at county, district and state show as well as World Dairy Expo. The people we met along the way have made this journey just as enjoyable as the cows we have shown.

We'd like to give a big thank you to all who have expressed interest in our cattle, all competing bidders and especially to the purchasers of our cattle. We are confident that they will be as profitable for you and bring you as much satisfaction as they have for us.

Jeff & Jill Pinter
