Note from the New Jersey Hereford Association

Hey All,

I write this from a Kansas City VRBO near the Junior National Hereford Expo that the New Jersey Juniors and their support crew are calling home for the week. So, I can't help being a little nostalgic thinking back, as a newly minted empty-nester, about the hugely positive experience it was to raise my kids around Herefords. 2,101 entries by 864 juniors are impressive numbers but the quality of the people and the cattle are off the charts. The numbers and quality have certainly improved since my days showing Overlook Farm cattle in the '70's at the National Junior Polled Hereford Heifer Show! I mention all this to highlight the importance of youth in our industry. The Northeast Elite Hereford Sale committee recognizes this and has provided incentives for youth to purchase animals at this sale. They are to be congratulated for this! With their reputation for docility and hardiness Herefords are the perfect animal for the family that wants the many benefits of raising its children around livestock. Look carefully at this offering. From the family farm buying its first cow, to the most discriminating Hereford breeder, to the commercial buyer, all will find animals that meet their unique needs. Look through these pages and find the breeding piece that will improve your operation. Buy with confidence knowing that all sale animals are DNA tested. After the year we had in 2020 the Northeast breeders are looking forward to building on the great success of the 2019 sale. Be a part of it!

A professional cattle trucker will be available immediately after the sale. Various consignors have also agreed to transport cattle. A reasonable "loaded mile" fee will be determined prior to arranging delivery to the buyer's location. For additional information, please contact us at (518) 945-2638.

Boarding/Yardage Fees:

- **All animals in this sale become the immediate property of the buyer once they are sold.** Cattle are to be removed at the conclusion of the sale. If cattle need to remain beyond Saturday September 11th, a nominal daily yardage fee will be charged to the buyer.
- **Insurance:** Insurance information will be available.
- **Herd Health:** Health papers will be available for cattle to be shipped interstate. All sale cattle will be tested for Tuberculosis, Brucellosis, and BVD PI status. All animals will be vaccinated for Rabies, Respiratory (IBR, BVD Types I&II, P13 and BRSV) and Leptospirosis (5 way).
- **AI Certificates:** Will not be furnished by the seller on females carrying the service of non-owned AI sires.
- **EPDs:** These numbers will change periodically throughout the year because they are constantly being updated and reprocessed. Therefore, some of the animals will not have the exact EPD information as is listed in the catalog. We cannot be held responsible if the EPD information is different from that is stated in the catalog.
- **Registration Certificates:** Will be transferred to the buyer at the seller's expense. Each buyer must give the clerk his proper name and address for completing transfers. All calves at side or born before the sale will be registered at the seller's expense.
- **Online Bidding:** To watch and bid online, log in to www.cowbuyer.com to create an account prior to the sale. If you have any questions or issues with logging in prior to the sale, please contact Aaron Tompkins at atompkins@vt.edu or (336) 363-4639.

- This R Leader daughter is out a high-milking two-year-old with a great udder we purchased as an embryo from the Ned and Jan Ward program a few years ago. She is easy keeping with plenty of quality, added look and rib shape. She has an added shot of muscle yet still feminine and refined in her skeletal design. Built on a great set of running gear, when you set her in motion she is extremely athletic in her movement. She combines the freshest genetics in the Hereford breed. She is an R Leader 6964 daughter.

- New York Hereford Breeders Empire Classic Champion Heifer Calf.
- Ruby Red is loaded with eye appeal and should really stand out in the showing and as a mama. The fact that we have a full sibling sister, bred to SK Dyno 8054U, and a maternal sister that has just calved is the only reason this heifer is offered. Lots of potential here.

- A standout in our spring calf crop, this calf is square-hipped and super correct in her lines with an 84 lb. birth weight. Her brother, by 028X, has been collected and has the look to be extremely competitive this fall. Don't miss out on this calf to anchor your showstring and be a standout in the replacement group this fall.

Right-to-Flush Choice

What an exciting time it is to be in the Hereford business! We are opening the gates for the opportunity to flush any Francis Show Cattle Hereford donor. For those of you that know me I am a man of few words but I could write a book on how well these 3 cows have produced for us. Each one is unique in their own right. These cows will produce exceptional eye appeal and functional offspring that will produce at any level. We highly encourage you to come look at these cows in person!

Terms of Flush: Selling the right to flush. Guaranteeing six (6) embryos and up to ten (10), all embryos above ten (10) will be split 50/50 with sellers. Flush and semen costs will be at the buyer's expense. A conventional or IVF flush will be done by Eclipse Genetics.

- Here's a steer you don't want to miss if you're looking for a Hereford show steer prospect. Remember this picture is from late June. He is registered and sired by Boyd 31Z Blueprint 6153. WBB Alien is long-sided, deep-bellied and thick-musclcd. He will definitely be a competitive steer. He is broke and ready for any future show prospect/market steer shows.
