Ohio Valley
LIMOUSIN ASSOCIATION

Fellow Cattlemen,

Welcome to the 2020 Ohio Valley Limousin Association Spring Sale. This year's offering is as strong as ever & it's encouraging to see the quality level continue to go up with each passing year. Rest assured you can bid with confidence that these cattle will improve your herds.

Currently, we are all navigating through uncharted waters in all facets of life during the Covid-19 crisis. That includes this sale. The safety of our friends and customers has played a major roll in the OVLA's decision to conduct this year's sale with a different format.

The OVLA board of directors have decided to proceed with an online video only format hosted by Cow Buyer.com. **You must preregister with Cow Buyer prior to the sale.** The sale will be posted online starting Thursday April 30th for viewing and to place bids if you are not able to view the actual sale on Saturday, May 2nd. Silent bids can also be placed by contacting Cow Buyer, the auctioneer or the sale consultant. We guarantee your bids will be kept confidential and that you will only spend what you would have to if you were bidding yourself.

The actual auction will take place **Saturday, May 2nd at 1:00 PM.** The cattle will sell by video at auction with an auctioneer online. At this time, you can bid in real time using click-to-bid thru CowBuyer.com or by phone using the sale day phone numbers listed inside the front cover of this catalog. Contact Cow Buyer or the sale manager for full details. **All bidders must preregister with CowBuyer.com to receive a buyers number.** If you are placing bids by phone, you will need to provide your buyers number to the sale representative.

If you have any questions about the cattle, feel free to contact the consignors or the sale manager. Please contact the sale manager or Cow Buyer with questions about the format of the sale.

Delivery of your purchases can be arranged with the consignor after the sale, or a pickup point has been arranged for May 9th from 12 noon until 6 pm at the livestock barn in Mineral Wells, WV, whichever is most convenient for you. Please contact the sale manager about delivery options.

To find out the latest news on this sale, please follow the Ohio Valley Limousin Association on Facebook or check the OVLA website, theovla.com. The Ohio Valley Limousin Association looks forward to fulfilling your cattle purchasing needs.

Thank you for your continued support of our sale.

Regards,

Ohio Valley Limousin Association Board of Directors
