## MORE PROFIT.

Breeding good cattle isn't complicated. Cattle feeders give us the ultimate report card. According to Jared Wareham, Top Dollar Angus, *"No other option offers the greatest terminal crossbreeding value from the ranch through the feeder like a really good set of smokes or buckskins that are at least 50% Angus or Red Angus."*

Use a registered Charolais bull and genetic verification through CharAdvantage to earn more premiums.

### Why?

- Market demand
- Predictability
- Increased weaning & yearling weights
- Easy calving
- More live calves
- Adaptability
- Value of Charolais-cross females
