SCHEDULE OF EVENTS:

Friday Afternoon, November 12

All animals will be available for viewing in open lots. Sale order, base price, and all supplemental information not listed in the catalog will be available.

Saturday Morning, November 13

Continued viewing of animals

11:00 am - Complimentary Ribeye lunch will be provided

12:00 noon - Southwest Cattlemen's Classic Sale

DIRECTIONS:

Sale location — Bottomley Sale Facility, 195 Kenton Run, Wytheville, VA 24382. Use Exit #77 off of I-81, just north of Wytheville. Travel to the access road west of the interstate. Turn right on Kenton Run (just past Exxon station) and travel one mile to sale facility. Watch for signs.

SALE FORMAT:

Each animal in the sale will have a base price which will be listed on a supplemental sheet furnished on sale day. Bulls will be offered starting with the higher base price bulls and alternating in groups of 5 between the consignors. A sales order will be furnished on sale day. Each animal will be offered individually though the sale ring starting at the listed base price and selling to the highest bidder. If no one is willing to bid the listed base price, then the animal will be passed on. Animals passed on during the auction will be available for sale afterwards at the listed base price. Animals returning to the consignor's farm will be available for sale at the base price or higher.

PICKUP AND DELIVERY:

Loadout of animals can begin immediately after the conclusion of the sale. Trucking and delivery of animals can be provided and the consignors will work

with individual buyers to provide the quickest and most economical transportation possible. Bulls can be returned to the consignor's farm for later pickup or delivery at the cost of \$2/head/day and will be fed and handled as they were prior to the sale or as the buyer requests. Bulls must be picked up by Jan. 1, 2021 unless special arrangements are made with the consignor. Bulls are the risk and responsibility of the new owner.

HEALTH & FERTILITY:

BVD PI tests within 30 days prior to the sale. Out of state health papers will be available sale day by Healing Springs Large Animal of Galax, VA. Bulls have been evaluated for breeding soundness and fertility by Dr. Andy Meadows and Dr. Jamie Cassell, and are guaranteed to be breeders.

BREEDING GUARANTEE:

Bulls are guaranteed to be breeders (defined as the ability to settle healthy cows by the time they are 14 months of age) with the exception of: a. Injury or disease occurring to the animal after time of purchase, or b. Gross negligence or willful misconduct on the part of the purchaser.

TERMS & CONDITIONS:

Terms of the sale are cash -- unless credit arrangements have been made prior to the sale. All settlements are to be made with the sale clerks at the conclusion of the sale and before any animals will be released from the sale premises. Cattle sell under the Standard Terms and Conditions as suggested by the American Gelbvieh Association, American Angus Association, and the American Simmental Association.

PURCHASER'S RISKS:

Each animal becomes the risk of the purchaser as soon as sold, but it shall be the obligation of the seller to see that the animals are fed and cared for until loaded for shipment.

ANNOUNCEMENTS:

Any changes of information of any kind in this sale book will be announced from the auction block and such announcements take precedence over all printed material.

REGISTRATION CERTIFICATES:

A transferred certificate of registration will be furnished to the buyer on each animal within 45 days following the sale or receipt of full payment.

MOTEL ACCOMMODATIONS:

Hampton Inn, Fort Chiswell, VA (276) 637-4027
Comfort Inn, Max Meadows, VA (276) 637-4281

AUCTIONEER: Smith Reasor VAAL #2395
(276) 620-3123

SALE DAY CONTACTS:

Doug Hughes (276) 620-4271
Chris Pruett (276) 620-4345
Lucas Hughes (276) 617-1111
Bailey Watson (276) 620-7446
Alex Anderson (276) 623-3623
Adam Wilson (276) 608-0026

Rick Kauffman (276) 620-4509

LITTLE WINDY HILL FARMS WILL RETAIN 1/3 SEMEN INTEREST ON ALL BULLS IF THEY ARE EVER COLLECTED AND SEMEN IS SOLD!

EPDs represented in this sale book were current at the time requested for the layout and printing of this sale book. EPDs are recalculated throughout the year by the respective breed associations, which means the figures presented in this book may change for these animals in the future.

All persons attending the sale do so at their own risk. Neither Little Windy Hill Farms, Reasor Simmentals, nor Cover Creek Cattle or any other person associated with the sale assume any liability, legal or otherwise.

VIEW/BID LIVE ON THE INTERNET!

Hello, my name is Bailey Watson from Max Meadows and I am a Junior at VA Tech majoring in Animal Science. As with most college students, money is important and tuition is expensive. I purchased SR MS E52 through this sale a few years ago. I'm pleased to offer H2410, a Frosty son, that is a blaze faced, moderate framed, deep sided bull with double digit CE, negative BW and a 147 API.

Check out the growth numbers on this one. Ranks in top 3 percentile for WW and top 10% on WW. His sire (Exclusive 01F) was purchased from Little Windy Hill Farm in 2019 as the high selling bull in the sale. We have quite a few of his calves in this sale. Big wide topped and deep ribs.

Powerful bull here, 78 lb. BW and a 762 lb. WW with a 103 ratio. Sired by SLC Viper which is a Canadian Gelbvieh bull we bought a few years ago that has done a really good job in our and other herds all over the USA and Canada. This bull has a great look, thick topped, heavy muscled and full of red meat. Use him on a set of black cows and make a set of black baldie feeder calves that will sell at the top of the feeder sale.

Another real good Gelbveih/Hereford Balancer with double digit CED EPD, 81 lb. BW, 682lb. WW, thick made, deep bodied and wide topped. Just think what he could do for your cow herd. We purchased Hereford embryos from Wooden Shoe Hereford's in Blackfoot, ID a few years ago to start this portion of our cattle operation. The results are just as our friend Matt Simms said it would be. The resulting cows are big stout google eyed, heavy milking with beautiful udders, and great dispositions. Everyone that visits the farm are amazed what a set of Hereford cows we have. Most say they have never seen a Hereford cow like them and want to know where they can purchase some.

Well there are 4 Bulls in the sale this year that have caught the attention of Commercial Cattleman all over the country. They are all 50% Gelbvieh and 50% Hereford Balancer Bulls. This cross has become very popular and sought after all over the Midwest. These bulls are very docile and have tremendous growth traits, they are mostly BWF but sometimes they are RWF if the sire is not Homo Black. This is my wife's idea to try this and I think she has hit a home run with Balancer bulls with a little different twist. Take a look I don't think they will disappoint you at all. This one is a Post Rock Granite son out of a real nice first calf Hereford heifer. 80 lb. BW and a 675 lb. WW. He's a stud.

Big stout Angus bull with a great look. He has a deep sided middle, thick topped, heavy muscled and good feet and leg structure. The Hot Lotto calves have worked well in our herd, we saw him on display in Denver at the National Western a few years ago and really liked what we saw. His daughters have made some real good cows as well. Middle of the road EPD's, 78 lb. BW, great disposition with a lot to offer. His dam is a full ET sister to our PCC Witten bull.

This heifer has a great pedigree. Her dam is one of our best producing cows, her grand dam the Baldrige Blackcap T163 is also the dam of Baldrige Waylon-W34 whom is a leading herd sire in the angus breed that was heavily used in AI. Middle of the road EPD's and has a really good phenotype. This heifer is one that will make an amazing young cow in the future.

436H is the right kind, her dam has produced some of the best Balancer bulls we have ever raised. We had one in Denver at the National Western a few years ago that was runner up in the Balancer Futurity and then sold in the National Sale to Walsh Ranch in Wyoming for \$15,000 and another out of the Baldridge Command C036 that sold to Rippey Farms and is now an AI Sire with off the chart EPD's. This heifer is one you should take a good look at on sale day. She's the keeping kind.

WOW! Super calving ease and big growth EPD's in this heifer, 67 lb. BW, 727 lb. WW with a 105 ratio. Her dam is a full ET sister to the great Post Rock Granite 200P2 bull that put our operation on the map in the Gelbvieh breed. She's also sired by Broadview the cow maker bull we bought from Pollard Farms a few years ago. She could be a home run! Don't hesitate here, she's got it all EPD's, pedigree, growth and a tremendous look.

Post Rock Granite daughter out of a first calf heifer that might possibly have the most complete, pretty and well-maintained udder in our herd. We have found that the Broadview sired females excel in maternal traits and then add the extra milking ability plus growth of Granite. This should make a super cow 75 lb. BW, 702 lb. WW. She'll work.

14H is the other Ruby 9337 daughter in the sale, 9337 has been a good donor for us. This Tour of Duty sired ET daughter has a momma cow look and will surely be one in the future. We have retained some full sisters in our herd that are in production now and have made real nice cows that can raise a calf.

We'll have two SALE FEATURES in this year's sale lot 90 & lot 91. Lot 90 is a Balancer with impeccable EPD's with WW and YW in the top 10% in the breed with double digit CED. Out of our Gelbvieh donor cow that has been a class act and EXAR Monumental. This heifer is a powerhouse, she has a heifer calf 521T born 9/28/21 sired by ELW Fronrunner2510F which is a 75% Gelbvieh calf. This heifer is very exciting to look at and is the front pasture kind. She's the real deal and will make a great cow!

This is our other SALE FEATURE Power and Performance with good EPD profile, blended with a pedigree that all cattlemen can appreciate. A really attractive Connealy Black Granite daughter with calving ease EPD's and double digit CED. Her Grand Dam is the famous Wehrmann Angus donor cow Rito 5F56 of 1I98 FD that was one of their leading donors and then went on to be a leading donor for Woodside Angus. This remarkable heifer calved to Coleman Bravo 6313; she has a bull calf #516J born 9/22/2021, 67 lb. BW. Buy this lot and get your next herd sire to boot. Both Lot 90 and 91 are from the herd of our replacement heifers and if you're looking to advance your cattle operation in a positive direction then here's your chance.

Heifer mate to lots 90 and 91

Coleman Bravo 6313
 Sire of lots 91A, 49 and 52

Max Meadows, VA 24360
276-620-4271 - Doug
lw hf@wiredog.com

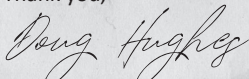

Welcome to the Southwest Cattlemen's Classic where we always look forward to seeing our past customers, and the new. This year, as in the past, we think we have a set of bulls and females that will move your cattle operation forward. As you will see we have shifted gears here at our place a little. My wonderful wife, Sue, has started a new adventure of breeding Gelbvieh Bulls to a great set of Hereford cows, and that has really seemed to work well. Every time a customer visits the farm they are amazed with them. They are docile cattle and grow very well. Their popularity in the Midwest has really taken off -- they are called Gelfords there, but the American Gelbvieh Association calls them white faced Balancers. Take a look at them, they're really nice.

Also, I wanted to mention that we sold a group 60 cows and bred heifers a couple years ago to my very good friend Rick Kauffman and his family at Cove Creek Cattle. They are doing a great job getting their operation off the ground. I try to work hand and hand with them about breeding decisions, herd health, etc., and whatever advice I can give. We invited Rick and his Family to join us in our sale last year and they are back again this year. All the cattle they have in the sale are carrying the LWHF prefix on their pedigrees, so essentially you are buying cattle that we would be presenting but from Cove Creek Cattle. Rick will stand behind his cattle the same way I always have, so buy with confidence.

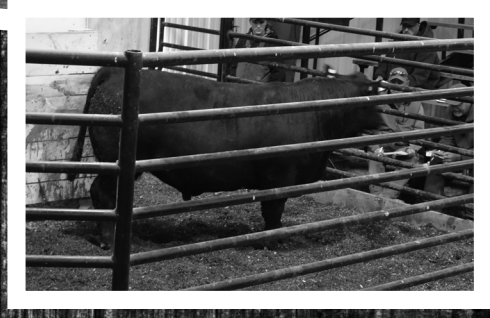

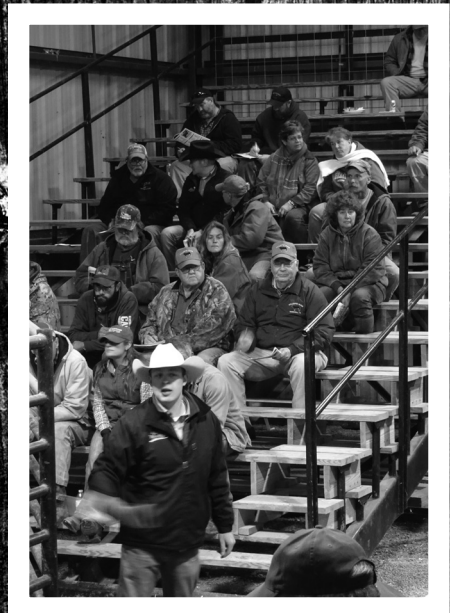

Again, I want to thank each and every one of you for attending the sale or online with Cowbuyer. If you have any questions at all, feel free to contact Smith, Rick or myself at anytime.

The good Lord has blessed us and our family this year, with his help we will be back again next year.

Thank you,

Little Windy Hill Farms
