Please contact any of the above Sale Staff with questions about the sale and the consignments. All purchases must be paid for before the animal, semen or product leaves the grounds.

Those wishing to bid by phone or through a Sales Staff member must be cleared by the Sale Committee no later than 8:30 AM EST on the morning of the sale - October 15, 2021.

For those wishing to bid via the internet, COWBUYER will be onsite. Please contact cowbuyer.com at least 48 hours prior to the sale to pre-register. Please Contact Aaron Ray Tompkins @ 336-363-4639 to pre-register and be pre-approved.

Payment for all purchases made through phone bidding or cowbuyer must be sent by Express US Mail, UPS Next Day or Federal Express Next Day to the Vermont Ayrshire Club Sale Committee. Proof of payment sent (tracking number) must be given to sales staff at the time of shipment. Details for payment will be communicated to you at the conclusion of the sale.

A Postcard From The Vermont Ayrshire Club

Welcome to the 'Postcards From Vermont' Sale. With the cancelation of the long-running 'Fall Colors - New England Ayrshire Sale' in 2019 & 2020 there was a void in marketing opportunities for purebred cattle of all breeds in the northeast. In late summer of this year we were encouraged to pull together a live auction to market excess cattle that our membership and others had accumulated. Thus, the 'Postcards From Vermont' Sale was born.

A short timeline, a shoe-string budget and an unpaid, volunteer committee set out to create the opportunity to keep the traditional New England all-breed cattle market alive. To say it's been a bit rocky would be an understatement - BUT - the commitment to provide this live auction service by the organizers, consignors and potential buyers has helped push through the challenges that bring us to today.

Special thanks to the consignors who have patiently been a part of this process, the Vermont Ayrshire Club who took on this 11th hour project, the volunteers who over-committed their time and skills, and to today's buyers who will find profit and pleasure in the cattle selling.

As we plan for the future we are committed to always improving and working smarter and harder to keep this event alive and thriving. Thank you for your interest in 'Postcards From Vermont' - May your travels be safe and your purchases be successful.

The Sale Committee

A Few Reminders for Buyers

Moving Cattle After the Sale

We hope that most of the sale cattle will be trucked after the conclusion of the sale on Friday or by noon on the following day - Saturday, October 16, 2021. Often, buyers prefer to call a trucker from their area to come for their purchases. Cattle that remain at the sale barn after Friday night must be reported to the barn manager - Randy Allen @ 802-353-3019.

COVID-19 Recommendations

While not required, it is encouraged for all attendees to wear protective masks during the event. As there will be plenty of opportunity to socialize, we suggest that you take the opportunity to thoroughly wash your hands and use hand sanitizer when available.

Terms of the Sale

Cash or Good Check! Nothing removed until settled for. All sales are FINAL. Announcements from the sales box will be the most updated information possible. The consignor, the VT Ayrshire Club and its agents make no warranty that pregnant cows will deliver calves or that they will carry full term. Females bred when sold and pronounced safe in calf are presumed pregnant but pregnancy is not guaranteed.

Information in the catalog has been provided by the consignors or breed association websites. Please do your due diligence in researching further information, the sales staff and management is not responsible for additional information.

Please examine your purchases in the sale barn before you bid. When the gavel falls you own the lot. A discrepancy must be reported to management immediately. At the close of the sale, all sales are final and there can be no recourse. All cattle have been veterinary examined prior to the sale and have a

Certificate of Veterinary Inspection' and been inoculated for shipping fever.
