Welcome From Outfront Cattle Service!

Dear Charolais Friends:

Welcome to the H3 Ranch and T.L. Lewis Ranch Production Sale! These two operations are only a few miles apart and neither are far from West, TX. But they offer intriguing consignments from different avenues of genetics.

The Huse family has been very successful in the showring, their daughter Lexi, has won many junior shows and placed extremely competitive in major Open Shows. You will find some outstanding young females from some of the newest genetics in the breed and a solid set of cows, like the Smokesters, Smoking Gun, Guarantee daughter and more. They are also sharing in their great donor and her dam with flushes and embryos. Sharing their herdsire will be a super investment in your future as well.

Tom and Patsy Lewis along with manager Leroy Sharp have devoted their herd to supply great commercial bulls for profitable cattle people. They have a foundation of older bloodlines that can hold their own today for shear performance and productivity. They have some great Fargo daughters and younger females along with some very proven cows, some in their very prime production years, and a few of their older very substantial producers.

You will enjoy visiting and obtaining some great Charolais on March 28th at the West Auction in West, TX. Please let of us know if we can be of any assistance!

Sincerely,

Dennis Adams

Selling a guaranteed Flush consisting of a minimum of 6 frozen embryos. Wiley is due the middle of April and buyer will receive first flush rights, if chosen. Wiley has a very enviable record campaigning on the show circuit. She was Reserve Division Champion at the 2020 Ft Worth Livestock Show, previously winning that title at the 2019 Ft Worth Livestock show and the prestigious 2019 Houston Livestock Show. She was selected as the Supreme Champion at the Candy Cane Classic and Reserve Supreme at the Navasota River Classic. Wiley also has a pedigree to backup her winning credentials with Fire Water, DR Stealth, Baldrige Sweetheart 7M, and the great donor at M&M, VCR Miss Duchess 433. 433 has 163 progenies registered with AICA show her tremendous influence on the breed. Wiley's dam, 0011, is a paternal sib to one of the greatest show sires in the breed, M&M Outsider 4003. With the stylish pattern, great depth and spring of rib, and showing an excellent udder development, Wiley is sure to become a monumental influence on the breed and this opportunity enables you to be a part of it.

PE to AWR Urban Cowboy 721, lot 3, for spring 2020 calf. A beautiful broodcow with excellent udder quality you expect from Smokester daughters. Ranks in the top 15% Milk EPDs for the breed. Lexi has kept the 2019 daughter of C59. Hurricane's dam, Miss Duke 2427 had 44 calves registered with AICA. She was a donor for Colomb, Evans, Lehman, and Double O Charolais. 4-full ET bull sibs topped Colomb bull sale one year!

Sells Open, Another super sharp Fargo! Ranks in the top 9% for WW, 7% for YW, 20% Milk, 6% for MTL, 3% for CW, and top 15% for TSI EPDs in the breed! Also notice the strong connection with another great Rockbluff donor cow, 204ET. Again, I don't think you can over emphasize taking all of these Fargo daughters home!

Sells Open, ready to breed in your 2020 spring program. As solid maternal program as you can find in this superior lot. Smokester is a many time AICA Trait Leader for Milk, REA, and Fat EPDs. His daughters usually have some of the best udder structure in the breed. Guess what, another Rockbluff donor influence in the dam, 207ET. Good numbers to match the conformation.

Sells Open, Dam sells as Lot 40, you can evaluate the whole family. Very good numbers from a very proven pedigree of super productive Charolais bloodlines. P232 donor cow of Heath Hyde's has an enviable record in several herds for producing herdsires. Ask Heath about full sister to Uncle Bill and I doubt seriously he would sell one. They are now the heart of his program.
