

# Goat-San Oh Geeze!

OG @ 4 weeks old

OG represents the two strongest Dam lines in the herd. He exemplifies type of animals we breed for in our herd. He is the best we have to offer. His pedigree is full of high linear scores, 3000lb+ lactations and National Show wins. Both the Dam, Sire and Maternal and Paternal grandparents are Goat-San bred animals. We utilize ALL the performance programs and this pedigree is full of animals achieving high marks throughout. Please consider OG for the 2021 ADGA Spotlight Sale.
