Welcome to The ONE Sale!

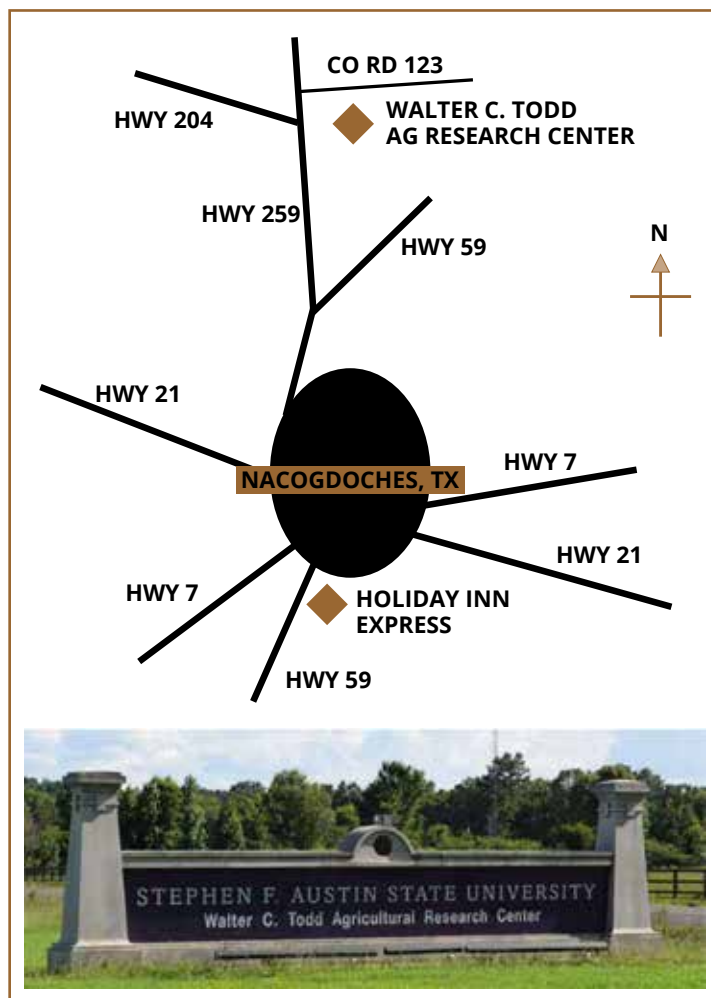

Welcome to The ONE Sale! This year we have some unique offerings of several different breeding programs that will be very beneficial for you to evaluate. We have some awesome herd sire prospects for most all programs. Whatever your program requires, we have genetics that excel in producing show cattle, great female producers, and stout performance sires. Each vary some in genetic makeup, but the quality is outstanding! There are several donor cow prospects with superb pedigrees, some outstanding show prospect from winning programs, some all the way from New York! The very successful Circle K herd! We also have the top cows coming from Bryan Killian ABC Ranch that are the remains of his best females he had saved back before deciding to totally disperse! You will also find some great ET matings of the top genetics in the breed, many which have been involved in setting record prices in previous sales.

We appreciate Stephen F Austin University Ag Center and Dr. Erin Brown for allowing us to host this sale at their brand-new facilities. It will be an awesome event. Also, our Thanks to ABC Ranch, they are donating a large collection of semen with all proceeds donated to AIJCA! So please bring your semen tank! Or we will be able to ship from Bovine Elite following the sale.

Please join us for a fantastic opportunity in Charolais, comparing programs, visiting with old and new friends, and fellowship! If I can be of assistance, please give me a call!

Sincerely,

Dennis Adams

Fertility and Trich Tested, selling ¾ Interest and Full Possession, seller retains ¼ of all semen rights. What a perfect name for this outstanding young sire. Descending from the 50th AICA National Show Reserve Champion sire, 2018 Louisville Champion, and 2019 Denver Champion and the #1 Show Bull of Year, Boy Outlier! Dam is one of the most prestigious and proven Donor cow in the breed with a lineage second to none! B2011 has highlighted many sales, including the Sale of Excellence, where her heifer calf, sired by Kincsem, was a top seller at \$9750.00 to Kyle Reaves. It's important for a major herdsire to not only excel in performance and structure but, be built on a very solid foundation female as is Mr. Versatile!

Fertility and Trich Tested, selling Full Interest and Full Possession. Another outstanding prospect from famed Donor dam. This would be a full blood brother to the JDJ Ms Kincsem D3116 heifer that sold for \$9750.00 in the Sale of Excellence. B2011 has 32 calves registered with AICA. She has consistently averaged over 20+ embryos per flush. Her dam, R120 has 38 calves with AICA and is one of a few cows flushed by DeBruyckers. R120 is also the dam of JDJ True Mark T39, the sire of BHD Zeus X3041, JDJ Resource Z365, and JDJ Duplicity Y420.

Sells Open. Love the power in this super thick, deep-bodied, square rump, big top heifer. Her EPDs rank her in the top 2% for WW, 4% YW, 20% for MTL, CW, and REA, with a highly related TSI of top 20%! After selling Y150 to Double-H and knowing her productivity, Shawn went to Double H and bought her son. This son was at her side and to add more of the those top producing genetics into his herd he selected Y150 genetics to continue.

Sells Open. This exciting heifer has that added stretch and growth factor. Going to make a big cow, her dam was huge, lots of volume and a great milking cow with fantastic udder quality. She had 38 calves registered with AICA. Super correct, feminine, and stylish, this well-bred heifer exemplifies perfection in design. With her deep spring of rib, good bone, and great disposition, she will quickly become one of the favorites in the herd!

Bred A-I to JDJ Maximo A18 P and DUE 3/5/22. What a great way to start a new year with this elite daughter of Landmark and the 950 donor, a full sib to CJC Mr President T122. 950 was on display a couple years ago at the Sale of Excellence and breeders were amazed with her dimensions. Abundant in every way! A sister to Avery calved at 18 months, (not by design), with a super quality udder without a problem. Making a great cow!

69A: Bull calf #110, born 9/14/21, sired by Sullivan's Stepplers Legacy bull, a Braxton son! One of those super cool Equity and Dynasty combination that worked so well. A beautiful patterned cow with length, depth, straight lines, highly feminine, and good milker! Highlighted with great calving ease and birth weight numbers. A potential donor in this prized consignment. These consignments from ABC represent his best females left after he has decided to disperse his cows.

This is a tremendous combination, Bella Angel has kept a Braxton x 274 as their featured walking sire at the ranch, "Thor". They also have a full sister that is fantastic! When you get a proven mating that works this well you don't want to miss out promoting it! 274 is proving to be one of the greats in the breed. Another masterful mating of Pegasus, who will become very popular as more breeders see his progeny! A daughter was very popular at the 2021 Sale of Excellence this year! They will only be selling choice of lot 74 or 75, but not both. The 274's have been too good to let both elite matings go! More Pounds.

MORE PROFIT.

Breeding good cattle isn't complicated. Cattle feeders give us the ultimate report card. According to Jared Wareham, Top Dollar Angus, *"No other option offers the greatest terminal crossbreeding value from the ranch through the feeder like a really good set of smokes or buckskins that are at least 50% Angus or Red Angus."*

Use a registered Charolais bull and genetic verification through CharAdvantage to earn more premiums.

Why?

- Market demand ■ Predictability
- Increased weaning & yearling weights
- Easy calving ■ More live calves
- Adaptability
- Value of Charolais-cross females
