Highlights

• This is an early Regiment son stems from a cow family that is noted for producing big-time A.I. sires like the Grimmus sire Wilks Anchor who was the \$60,000 high seller in the 2019 Wilks Ranch Sale and is a top Jet Black son in their lineup. This young man himself ranks in the top 1% of the entire Angus population for WW, YW, RADG, CW, RE, \$W, \$B & \$C as well as makes the top 10% for CED, SC, HP, Marbling and \$Grid. Not only does he hit all the marks necessary for a successful A.I. sire with his data, but he also has a look that is tremendous. He is extremely soft and loose made in his structure, has big bold good made feet and has muscle, and I mean muscle in his lower 2/3rds and his top. I like this one a lot when you combine all his attributes and I'm not sure there is a better one out there when you consider the complete package. Selling full possession and 2/3 US semen interest and 100% BOD and International.

Highlights

• The # 1 son of one of the most popular sires in the business today is what his outstanding Salvation son offers. 2111 is off the charts for his tabulations and stems from a cow family that has dominated the Angus breed from a \$Beef standpoint over the past 6 years. He ranks in the top 1% for WW, YW, RADG, MW, CW, RE, \$F, \$G, \$B & \$C as well as maintains the top 10% for CEM, Marbling and \$W. He is built correctly, has a sound structure with an athletic stride and has muscle, body and power for a fall weaning age calf. This one is the future with a 9 CED and over 100 WW, triple digits for both Marbling and RE and a +389 \$C. Selling full possession and 2/3 US semen interest and 100% BOD and International.
