Celebration Sale

Friday, March 25, 2022 | 10:30 a.m.
Great Northern Sales Arena | Fond du Lac, Wisconsin

Welcome to the Stars of Twinkle-Hill Celebration Sale! We are excited to offer our best milking cows and nearly all of the heifers to you this spring as John and Dee look to slow down and simplify daily chores. As most of you realize, labor for day-to-day work has been harder and harder to find. So, reducing the milking herd size will allow for fewer part-time employees and juggling of schedules for Jeannie and Laurie, who both work off of the farm full-time.

Our foray into Brown Swiss goes back to the 1990s. A group of heifers was purchased from a local breeder in 1996, which piqued the interest of Jeannie and Laurie for 4-H projects. Tracing the pedigrees back to some of these original and humble purchases brought back memories of all the cows that came between, and some will be shared with you today. In 1999 & 2000, more foundation animals were purchased at the World Premier Sales and the Pennsylvania National Convention in Harrisburg. Meadow Hill Coll Altra E90, CIE Thane Energy Jenny E90, Front Line PomPoms Olivia 2E92 'SBC' and two daughters of Sun-Made Patrick Stardom 2E90 founded four of our best and brightest cow families, with numerous descendants available here.

With a mixed herd of Holsteins and Brown Swiss, we quickly found benefit in the Identity Enrollment program through the Brown Swiss Association. The "black diamond" cows certainly paved the way for many animals in our herd, and quite a few from the Identity Enrollment program are available for you to develop further.

As slowing down does not mean the end, it does allow us to continue to farm and work for the next generation, all while sharing our best animals with you. While showing cows has been a hobby, we have bred for cows that are balanced, produce high components, breed back, and have durability. We celebrate our more than 25 years of being in this breed, and look forward to seeing our cows excel for you in your program, regardless of your goals.

Celebration Sale Terms and Conditions

TERMS: The terms are cash or check on sale day payable to Brown Swiss Enterprises, Inc. in U.S. funds unless other arrangements are made with the sale management and seller prior to the sale. All payments must be made to the clerk of the sale and no release of animals will be given until satisfactory settlement has been made. The guarantees listed below shall be offered by the seller only after payment terms have been met by the purchaser.

BIDS: The highest bidder shall be the buyer. In case of dispute, the animal shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. Every animal is pledged to absolute sale and by-bidding is prohibited. Every animal must be transferred to the new owner and may not be transferred back to the seller, except at the discretion of the recording society concerned.

EXPORT TRANSACTIONS: Prospective buyers or agents must make satisfactory agreement regarding health tests and requirements with the consignor and/or sale's management prior to the sale. Failure to do so shall make the buyer responsible for all health tests. Any special terms of payment must be cleared with the sale's management prior to the sale.

RISK: All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a reasonable length of time. Purchasers must make arrangements for care of their purchases if not removed within 24 hours following the sale. Separate agreement must be approved on export cattle. All animals are at the consignor's risk prior to selling in the event of fire or other mishap. All semen sold shall immediately become the buyer's property and risk as soon as struck off. Shipping assistance will be given; however, no risk on loss is assumed by the sale's management.

CERTIFICATES: Each animal is recorded, or will be recorded, in the Herdbook of the Association. The certificate of registry with recorded transfer will be furnished by the seller to the purchaser. Any animal listed with (W), (M), (D), or (A) as a suffix to the name has been designated by the Brown Swiss Cattle Breeders' Association of the U.S.A., as a Weaver, Spinal Muscular Atrophy (SMA), SDM, or Spiderleg Trait carrier.

SHIPPING: Assistance will be given in loading and shipping animals, but no risk is assumed by the sale's management or seller.

WARRANTY: All animals sold are believed to be straight and right, unless otherwise noted in this catalog or by announcement from the auctioneer's stand. Every precaution will be taken to represent the physical condition of each animal exactly as it is. Examination of all purchases should be made immediately after the purchase before the close of the sale; and if found not to be a represented when sold, such complaint should be reported to the management at once. If no such complaint is registered, it is assumed the buyer has accepted the animal as warranted when sold. The seller guarantees to the purchaser a clear and sole title to the animal purchased. Any animal listed with (W) as a suffix to the name has been designated by the Brown Swiss Cattle Breeders' Association as a Weaver trait carrier. The Buyer is hereby notified that all cattle are being sold as not warranted as being free of Johnes Disease excepted where noted.

BREEDING: Females open or bred, to the best of the seller's knowledge and belief are breeders. All females bred, to the best of the seller's knowledge and belief, are pregnant. However, no breeding dates or pregnancy can be guaranteed unless so announced at the time of the sale.

RESPONSIBILITY: In submitting the entries and in selling the animals listed in the sale the seller subscribes to the various regulations and warranties as set forth and assumes full responsibility for his cattle. Except as herein provided, the seller shall not be responsible for any damages beyond the selling price of the animal. The sale management acts as agent of the seller and shall only to the extent provided by law share the seller's responsibility, but it shall endeavor to protect the interests of the buyer as well.

BLOOD TEST: Animals will not be tested for TB. If animals are sold to buyers requiring TB test, seller agrees to test and house animals while waiting for results.

A2 MILK TEST RESULTS: A2 status of the cows was determined by milk testing through CentralStar Cooperative. Milk testing is reported to have 94% accuracy for A2 genotyping. This information was provided by the best knowledge of the seller. A2 status obtained via milk samples is not printed on pedigrees, nor is it part of any official record with the BSCBA.

SOUNDNESS: Every precaution will be taken to represent the physical condition of each animal exactly as it is. Known blemishes will be announced.

ALL SALES FINAL: Having taken every reasonable precaution to fairly represent the health, breeding and physical condition of each animal, no further guarantee or retest privileges are given, and all sales shall be considered final.

HEALTH CERTIFICATES: Official health certificates will be provided to the purchaser of each animal. Results of any future health tests are not guaranteed and are at buyer's expense. Cattle have not been tested for Paratuberculosis (Johnes's).

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced, such announcements to take precedence over the matter of print in this catalog. Neither the editors of the catalog, the sale's management, nor the consignors can assume any responsibility for any errors or omissions in the catalog.

ACCIDENTS: The sale manager, auctioneers, sale hosts, and owners are not in any way responsible for the condition of the grounds nor the behavior of the animals, and disclaim any liability in the event of personal accident or property loss.
