54th Annual

North Carolina Hereford Classic

Saturday, March 26, 2022

Noon | Stamey Farm

255 Stamey Farm Rd.
Statesville, N.C.
Exit 146, I-40

Selling 56 Lots

- Cows with Fall Calves • Cows with Spring Calves
- Bred Heifers • Open Heifers • Embryos • Bulls

The *North Carolina Hereford Association* traditionally selects an individual to honor at the annual North Carolina Hereford Sale for their contribution to the association and the breed. However, due to the Covid-19 pandemic and the ensuing hardship faced by our members, our industry, and society as a whole, this year will be a little different.

Since the beginning of the pandemic in late 2019, we have all experienced loss and battled uncertainty. Our producers have endured through some of the most unstable and difficult market conditions in decades with unfailing perseverance. The *NCHA* has been blessed with tremendous members who exemplify the best our industry and breed have to offer. This year, to honor their sacrifices, successes, and passion, we dedicate the 2022 North Carolina Hereford Sale to all of our incredible *NCHA* Members and their families. Our community, association, and breed endure because of your dedication.

Thank you all!!

The 54th Annual North Carolina Hereford Classic Sale

Saturday, March 26, 2022 | Noon | Stamey Farm

255 Stamey Farm Road, I-40, Exit 146, Statesville, N.C.

- If you're looking for a sound show heifer that will turn into a great cow, look no further. With a long line of high-quality udder and maternal genetics on both sides of her pedigree, her future is bright! She's deep bodied with a clean extended front end that ties smoothly into her shoulders. Juniors – she is halter broke and ready for the ride to Louisville!
- Consigned by PAC Cattle Co., Dobson, N.C.

- Another outstanding D43 daughter that is dark red and pigmented in both eyes. Our first D43 daughters came into production Fall 2021 and they are working very hard for us and have excellent udders.
- Bred AI 12/20/21 to Behm 100W Cuda 504C with sexed heifer semen, then pasture exposed 1/20/22 to 3/25/22, to Boyd 6035 Bluestem 0049.
- Consigned by Riley Farms, Saluda, S.C.

Behm Cuda 100W 504C – AI service sire for Lot 8

All five of these heifers are by our herd bull, Churchill Wildcat 7212E, that we jointly own with Terrace Farms. All their dams are from some of the top herds in the breed, including WMC Cattle Co., White Hawk Ranch, Barnes Herefords, etc. All dark red with heavy pigmentation and all were bred AI with sexed heifer semen to either TH Masterplan 183F or /S Mandate 66589 ET as indicated. Then pasture exposed to TH 22A 358C Pioneer 73E (P43818546), from 1/10/22 to 3/24/22. The heifers have GE-EPDs and they will benefit any program.

• This heifer comes out of a very maternal cow with an excellent udder that we purchased from Express Ranch several years ago. She is a long-bodied female with nice pigmentation. Her sire, R Excitement, is a Certified Hereford Beef Sire of Distinction and his daughters that are in production are performing well.

 • 39J is a really nice, easy going, open heifer sired by the ever popular 4013, whose progeny have topped sales all over the country. This heifer's dam is a direct daughter of the 33A cow that serves as a donor for Flat Stone Lick. This heifer has real brood cow potential. Sells open and ready to breed to the bull of your choice.

• This heifer is out of a great flush from our Grassy Run donor we purchased from Mike Rogan. We have been really pleased with this flush. The dam is a power cow and the sire NJW Long Range needs no introduction. This heifer will show with her square hip and extended front.

• This heifer will find her way around any show ring, not to mention her ability to make some big time progeny. I purchased her mother from Boyd's and then bred AI to Long Range and this is the outcome. She is put together as good as any one I have ever raised, and has the pedigree to stand behind her. Bid with confidence!

H26 is a very complete and balanced herd bull prospect. He is sired by the famous Tested A250 bull and is out of really nice R117 cow, packed with plenty of performance and carcass quality and data. H26 puts it all together in a complete package with no extremes and has performance EPDs that are all above breed average. This bull will move you down the road with carcass quality in your herd. We appreciate this bull's natural width, stance and bone.

- Victor Queen as we call her is a very attractive well made heifer. She has ample bone compared to most Victor breeding and her mother is the double bred M065 daughter we bought in this sale several years ago from Will-Via Polled Herefords. Her sire, JMS Victor 5122 859, is being used AI in limited herds based on the 1st calf crop that we at Four B Farm got out of this bull. If you like Victor cattle pay attention here.
- Bred AI 12/22/21 to /S Mandate 66589 ET, then pasture exposed 12/30/21 to 2/11/22 to THM 4B Westward 1173.
- Consigned by Four B Farms, Shelby, N.C.

- H43 is the type and kind of heifer we would prefer to keep in our herd and not sell. She combines a long line of proven genetics in one package. She is made correctly and should make someone a great cow that will add to the herd for improvement. She has ample bone with a heavy Victor breeding and has a show of Advance and Felton genetics.
- Bred AI 12/22/21 to /S Mandate 66589 ET, then pasture exposed 12/30/21 to 2/11/22 to THM 4B Westward 1173.
- Consigned by Four B Farms, Shelby, N.C.

- 403B is sired by the famed 735 bull originating from Crooked Lake Ranch and is out of a cow bought from Parker Bros. in Tennessee. This cow brings together southern bred Victor cattle with the Remitall bloodlines. She is a big ribbed, deep bodied cow that has years of top production ahead of her. She will calve before sale day to WHR 4B Feltons Plan 272G. She will sell open and ready to breed to the bull of your choice.
- Consigned by Four B Farms, Shelby, N.C.

 • This conservatively marked, heavily pigmented heifer ties together the most productive and proven cattle in our program. Her P606 dam is one of our oldest donors, responsible for the 2017 NC State Fair Grand Champion Bull and the grandam of our current young herd sire. There's at least 16 daughters or granddaughters of this prolific female in production at the beef unit and many more in other herds throughout the state. The top side of her pedigree is the 656, Hometown 10Y son. We've calved out two years of his daughters and have been extremely happy with good pigmented, moderate, easy fleshing females with quality udders.
 • Consigned by North Carolina State University, Raleigh, N.C.

 • The dam of Lily is a darn good cow and a DOD. I have two of her daughters in my herd. She is to old to sell and to good to stop breeding. BW ratio 97, WW ratio 110 on 7 calves. REA ratio 110 and IMF 112. Lily is sired by our great 4013 son, DTF Envision 4013 8F52 ET. Just like her sister, Lot 45, she has tremendous potential. Sells open.
 • Consigned by Deer Track Farm, Spotsylvania, Va.

- It's really hard to produce a herd bull for fellow seedstock producers. My primary goal is to produce high quality bulls for commercial breeders. But every now and again, you get something that is really good with great potential. I think I have one you should look at and consider. A 4013 son out of a great DTF donor.
- Act. BW 81 lb., adj. WW 735 lb. Ultrasound data available sale day. GE-EPDs. Let's talk.

**NORTH CAROLINA HERFORD
 ASSOCIATION SCHOLARSHIP**

NORTH CAROLINA HERFORD ASSOCIATION

*The North Carolina Hereford Association is pleased
 to support youth and education.
 A scholarship will be awarded to a qualified applicant.*

Procedures:

Scholarship application forms may be obtained by contacting:

**North Carolina Hereford Association
 11350 Old Hwy 70 West
 Cove City, NC 28523
 252-637-4995
 nchereford@yahoo.com**

**LIVE INTERNET BIDDING AT
 www.cowbuyer.com**

- View/bid online in Real Time
- Registration is required. Please register at least one (1) hour prior to sale time at www.cowbuyer.com
- High Speed Internet is required. Slower speed will not permit you to bid and keep pace in real time.
- Terms: Purchasing online constitutes a legal contract and promise for payment of purchases. All purchases must be paid within ten (10) days of sale date and prior to load out or delivery of cattle purchased.
- **Cowbuyer.com** is a service provider and is not responsible for the activity or inactivity of any technology, Internet connection at the sale site or connection and technology of the bidders.

**For questions or information, contact:
 Aaron Ray Tompkins – 336-363-4639, atompkin@vt.edu**

TERMS AND CONDITIONS

1. **TERMS:** Cash. Each animal to be sold to the highest bidder. The auctioneer shall settle any disputes as to bids.
2. All animals sold in this sale shall be subject to the applicable laws, rules and regulations for the state of North Carolina and all rules or regulations of any agency of the state of North Carolina.
3. Announcements at the sale ring by the owners or the auctioneer concerning the cattle will take precedence over statements in the sale catalog.
4. All persons who attend the sale do so at their own risk and the owners or management assume no liability, legal or otherwise, for any accidents that may occur.
5. The auctioneer (Dale Stith) acts only as agent for the sellers.
6. Health papers will be available for cattle to be shipped interstate.
7. No service AI certificates will be furnished.
8. **Delivery:** The sellers will make every attempt to assist buyers in hauling at the lowest possible cost.
9. Insurance will be available through Harding and Harding. Please see the auctioneer for insurance.
10. Registration certificates will be transferred to the buyer at the seller's expense. All calves at side or born before the sale will be registered at the seller's expense.
