VIRGINIA CLUB CALF PRODUCERS

9TH ANNUAL EASTERN ELITE

JANUARY 25, 2020 | HARRISONBURG, VIRGINIA | 6:30 PM

following Heifer Show at the VCCP Winter Classic Jackpot Show.

It is hard to believe that this year represents the 15th Annual VCCP Winter Classic and the 9th Annual VCCP Eastern Elite Sale. We are proud of what this annual event has become and hopefully you, all of our supporters, are proud as well. This sale represents a unique opportunity for folks in our region to access top notch genetics locally, without having to travel across the country. The consignors of the 2020 VCCP Eastern Elite Sale have brought you a great group of live lots and genetic packages once again this year. Those who are thinking "big picture" are in buying mode right now, with 2020 looking to be brighter in the cattle industry. Take a look at the success stories below – can you imagine buying a few embryos and turning them into over \$100k in progeny? Talk about finding the winning lottery ticket! There is money to be made throughout this sale offering – we encourage you to jump in and invest, you won't be disappointed. Please come see us on January 24 & 25th at the Rockingham Fairgrounds – Please note the new location – the Sale will be on the fairgrounds, just up the hill from the Show barns.

VCCP Sale Committee

Please bring this catalog with you to the sale

Welcome

1}

In our 2014 Sale – Bushy Park bought a pack of Irish Whiskey eggs out of the Mimms Donor 4267. They sold two resulting heifers for \$23,000 and \$100,000. This may be unprecedented in any sale in the country! The resulting heifer from this embryo package went on to be named NAILE Grand Champion Maintainer Heifer in both the junior and open shows, congratulations Mason Walker. Full sib embryos to these champions sell as Lot 50.

2}

In 2016 Butler Farms purchased the I-80 X SULL Pure Hottie 7033 embryos. Two of the resulting heifer calves ended up being lot 1 and lot 2 of the 2017 Butler Farms Apple Harvest Production Sale where each of them demanded north of \$6000.

3}

A heifer consigned by Walter Earle from North Carolina (lot 43) in 2013 ended up as a Division Champion Chi-Maine at Louisville that same year. Congrats to Walter Earle from Sullivan Farms. A maternal sib sells this year as lot 21

4}

This Sim Solutions lot was consigned as a heifer pregnancy by Wehrman Genetics in the 2012 Eastern Elite sale and was purchased by G&B Cattle for \$3500. They returned her to the 2014 sale as a bred heifer and sold her for \$13500.

Success Stories

Here is a March Angus heifer that will catch the eye of anyone in the junior division of Angus cattle. She exhibits that long neat front end everyone is looking for with great hair and has more than adequate bone with that extra muscle, with the right muscle pattern. She is extra long bodied with that great disposition young exhibitors need. Sit tight, get on board for an enjoyable summer.

This April daughter of Roundtable combines that flashy show heifer look without sacrificing a drop of performance. This heifer truly has so much upside potential to be a great show heifer as well as being a high performing cow. I love the way this one hits you from every angle. With an explosive rib cage, beautiful front third and added stoutness, she is sure to be a crowd favorite in any environment.

A truly rare female here. Out of the deceased Made to Order bull that has done his fair share of producing champions and out of a great cow from Brandon Horn, who is a full sister to Mike Mimms's donor, Mimms 0333. HL 0333 has produced standout bulls, steers and heifers for us and the Horn's. These cattle are unreal in terms of their stoutness, bone and overall muscle mass and they handle it perfectly from a structure standpoint. This heifer will show well in the commercial division and we have no question she will be in the donor pen early in production. Get in on the good stuff while it's available!

COOK HEIFER

DOB: JUNE 2019
 D&D OUTLAW
Sire: RRC I'M YOUR HUCKLEBERRY 511
 RRC MS STORM
Dam: SHORTHORN COW

What an exciting female that we think has a world of potential come next summer. If you want to be a contender at an East Coast State Fair next year, you need to pay attention. Age doesn't matter when they are made this good. Huge middled, elegant fronted and cat sound. These are the kind you shouldn't sell. Her dam flat out works and we expect this one to pay big dividends in production.

SF NURSE AIDE 378

A power tank from the great Madonna 49U donor at Parks Show Cattle, this might be the most massive and powerful heifer in the barns! Her dam has been a strong source of winners and quality over the years and this is one of her best daughters to sell. She has exciting 3-D quality featuring great belly sweep, plenty of extension, and ideal thickness.

**Due to calve mid-April to Optimus Prime 33D
Calf sex: Heifer**

NORTHERN IMPROVEMENT

A maternal pedigree that is a favorite at our place. Her dam, the 26T donor, has been a great producer for us and the Bartenslager family over the years. The maternal sibs to this heifer have had great show careers throughout the east and one of her sisters is turning into quite the young donor for us. She is bred to the exciting Simmental bull TJ Franchise and due the middle of February. If you are looking for a young donor prospect to get started with then look close at this one. Proven, time tested genetics that flat work!

AI bred 5/18/19 to TJ Franchise. Confirmed pregnant to AI.

Another knockout female from Harmony 125Y, this crop leader is a full sister to Adelyda Ebersole's heifer that was Fourth Overall Maine/Angus at the 2018 Junior Nationals and the 2018 Show Heifer of the Year in Iowa. This heifer is tremendous and has always been a standout. She is filled with body shape and covered in great hair and she moves so easily and with authority.

Due to calve March 31 to Daddy's Money – Calf sex: Bull

A proven donor that's still in her prime. From the beginning she has been a standout for combining an out there look with a massive hip and perfect feet and legs. She has clicked on everything we have flushed her to up to this point, from Angus to Simmental as well as Chi's and Maines. Her first calf by Bush's Unbelievable is one of our best young cows and has a bright future as a donor. In her first flush to Made to Order 2, 5 calves averaged over \$5k and she has averaged over \$4k throughout the remaining flushes. Lifetime average of 12 freezable embryos on 9 flushes. Her progeny have seen success throughout Kansas, Texas, Maryland, Virginia and Pennsylvania. She is due the beginning of April with a bull calf by Wade Rodgers's popular bull, Good As It Gets. We think this could be the ticket! Don't miss out!

Here is your chance to own this outstanding registered 2 year old Sim Angus herd sire. This is a special kind of bull, being sired by one of the hottest Simmental Sires in the country (Loaded Up) and out of a past Denver Angus Champion (Ark Pride 017 Donor), this bull will do great things for your herd. Imagine the daughters that this bull is going to raise for you. You will want to keep everyone of them! This bull is built the way a bull should be built, stout and rugged, yet maintains a fresh and clean front one third. He can make those fancy heifers or those clean and rugged bull calves. Loaded Pride is a herd developer and is going to be an investment that is going to take your herd to the next level. I am proud to have raised this bull, and you are going to be proud of what his genetics can do for you. This purchase will be an investment that can pay you back for generations.

56

A | Pack of 3 embryos sired by Snow Goose
 B | Pack of 3 embryos sired by Hawkeye

Donor Dam: **DONOR 25**
 HEAT SEEKER
 CHILL FACTOR

This mega boned red headed whale is a sight to behold. This may be the stoutest TH, PHA clean cow you will ever see. She is ultrasound and carries this around on a foot an elephant would be proud of. These two matings to Snow Goose and Hawkeye will produced stout built colored calves that bring the buyers to your pastures. Dr. Mimms does not sell many embryos on this cow, so get them while they are available.

DONOR 4250

MIMMS CATTLE CO. | MIKE MIMMS | 806-344-5016 | SHARP FARM | GREG SHARP | 330-206-5417

57

A | Pack of 3 embryos sired by Here I Am
 B | Pack of 3 embryos sired by Fu Man Chu

Donor Dam: **DONOR 4250**
 MEYER 734
 WINFREY 250 ANGUS

Very few cows stand the test of time. This one has. Every new mating we try on her seems to be better than the last, and now that her daughters are in production they too are passing on the same traits that made so many of 4250's calves winners. Expect sound, big bellied, powerful calves that sell quickly.

TJ 401

MIMMS CATTLE CO. | MIKE MIMMS | 806-344-5016 | SHARP FARM | GREG SHARP | 330-206-5417

58

A | Pack of 3 embryos sired by Here I Am
 B | Pack of 3 embryos sired by Wizard

Donor Dam: **DONOR TJ 401**
 TREINENS JOY
 401 (BLUE CHIP)

This cow can walk the walk and talk the talk. A former Donors Unlimited sale feature that is truly of the elite cows in the industry. Dr.Mimms used TJ for maternal production after her first natural heifer calf topped his calf sale and went on to be cloned by Kroupa cattle of South Dakota. She has just recently been put into steer production and the results have been very rewarding. Expect style, power and sound calves that are in your front pasture and bring buyers to your door

- A | Pack of 3 embryos sired by Monopoly
B | Pack of 3 embryos sired by Here I am

Donor Dam: **MARIAH**
MERCEDES BENZ
MOSSY OAK

This former Denver champion that brought \$50,000 as calf just got into show cattle production. After selling in the Holiday Classic in 2018 for 30,000.00 her stock has only gone up. In 1 year of production and all of these sold this fall, she had a 15,000 Monopoly steer for Caldwell, a Getcha Some that Caldwell has retained to show for his daughter, a 25,000 plus Here I Am. These 3 steers are from 4 male calves born. She also had a \$6500 Data Bank for Schaffer that was just named champion Maine of the Hoosier Beef Congress (pictured), a \$3500 Quantum Leap heifer for Martin and 2 Here I am heifers at \$3500 and \$4500. If you want eggs on Mariah, you'd better buy them now. They may not be for sale again.

HL AMMO 288
HL DONOR 474 (CHAR X MAINE)

The dam of Business Done Right, the sire of so many influential cattle, these genetics are proving themselves time and time again. We've been stockpiling them and loading up on them for their versatility and reliability. Donor 977 was a former Share the Future Sale feature and she paid off right away with the arrival of her second calf – Business Done Right- that is doing great things for Horn Livestock with production hits that include the red hot – In God We Trust. This snow-white, pink nosed sweetheart is by Ammo 388, the same bull that sired so many top calves like the 2010 San Antonio Grand Champion Steer; she is a beautiful example of double-clean quality. These calves out of Horn's Paid in Full bull will be the real deal!

Donor Dam: **DONOR 150**
FREEZE FRAME
MAXIMUS

The 150 cow is a former \$30,000 top seller of our Share the Future Sale to Garwood Cattle, OH, and we went and got her back due to her great build and strong performance. This moderate, barrel ribbed, snake necked leader is all clean but great haired and very productive. She gave us a really impressive son of Twerkit this year and she has been great with Here I Am. Calves from this mating include a pair of winners and multiples in the \$4000+ range, and Here I Am has sired a slew of recent major winners. Go see this cow - and her latest son - if you get the chance. She is worth it.

MILKMAN

Donor Dam: **DONOR 945**

TREINEN 454

Talk about a power cow. This cow has feet an elephant would envy and a hip that won't let her fit through a breeding chute. After topping the Donors Unlimited sale in 2016 Dr. Mimms put her straight into steer production and it has paid off. Embryos have sold towards the top of the DU sales and a flush topped his fall genetics sale. People that see this cow are in awe of the power and flexibility she possesses. Get in while these are still for sale. Dr. Mimms sold a \$21,000 steer out of this donor in his 2018 sale.

TERMS: Term of the sale are cash or good check, payable immediately upon the conclusion of the sale and before the animals will be moved.

LIABILITY: All animals and merchandise will be at the buyers risk at the fall of the hammer. However the seller will provide for the safety of each animal for a reasonable amount of time following the sale. Neither the owners, sale manager, auctioneer, or affiliated personnel may be held responsible for any accidents that may occur.

BIDDING: All animals will sell to the highest bidder. Any disputes or challenges regarding bidding will be settled by the auctioneer and his decision will be final.

ANNOUNCEMENTS: Made sale day from the block will take precedence over statements in the sale catalog.

GUARANTEE: Bred females have been satisfactorily examined for pregnancy, are guaranteed bred at sale time and are assumed to breeders without further guarantee. Due dates listed for bred females are the results of said examination and / or known breeding dates and are intended to be used as estimates of actual calving dates. No guarantee, expressed or implied, is made to the animal's ability to produce transferable embryos with the exception of those selling as "open and ready to flush." Bulls and open females are sold to be "breeders". All embryo packs sell in groups of three or four (3 or 4) and with a one (1) pregnancy guarantee when the work is done by a certified tech.

ACCIDENTS: All persons who attend this sale do so at their own risk. Owners nor any person involved with the sale assumes any liability, legal or otherwise, in the event of an accident or loss of property.

CATALOG: All information was supplied by the consignors and sale committee and is believed to be correct and accurate. Catalog prepared by Prairie Pistol Designs.

SHIPPING: Assistance will be given in making shipment of your purchase after the sale, but no risk will be assumed by the seller. Expenses incurred are the responsibility of the purchaser who should furnish shipping instructions at time of settlement. Embryo / semen lots, many will be on site to pick up after the sale, those being shipped it is the Buyer sole responsibility to have those shipped and for the cost associated with.

A STORAGE FEE OF \$0.50 PER DAY / CANE WILL BE APPLIED AFTER 30 DAYS. GENETIC LOTS THAT AREN'T PICKED UP BY DECEMBER 1, 2020 THEY BECOME PROPERTY OF THE VCCP.

ABSENTEE BIDDING: If you would like to invest in the cattle offered but are unable to attend, please contact the farm, sale committee & representatives, or auctioneer as far ahead to the sale as possible. Your bids will be handled with complete confidentiality and we can arrange to have the cattle delivered to your farm or ranch.

BIDDING ALSO THROUGH WWW.COWBUYER.COM CONTACT PERSON AARON RAY TOMPKINS 336-363-4639

CONTRACT: The above terms and conditions of the sale shall constitute a contract between buyer and seller and shall be equally binding on both. Animals that are resold following purchase in the sale shall constitute a separate transaction and the rights and obligations of the two parties connected there to are not covered by these terms and conditions.

REGISTRATIONS: These need to be transferred between the buyer and seller. Please contact a member of the sale committee if you have difficulty or questions getting your papers transferred.
