WELCOME TO THE SCHILLVIEW HOLSTEINS REGISTERED HOLSTEIN DISPERSAL.

We are excited to have you with us as we begin a new chapter in our lives. Many of you knew Mike personally and can attest to his deep love of family and good Holstein cattle. Mike and Karen began this journey side by side 47 years ago and continued their strong partnership with the help of family and friends. The Schillview prefix has influenced the Holstein industry worldwide sending several individuals to various AI companies, most notably Garrett and Gerard to ABS Global. As in many notable herds, the purchase of a single animal can bring a program to a whole new level. For the Schillers, the co-purchase of Prairie-Belle Glory was the key to placing the Schillview herd at that new level. As the herd progressed, Mike and Karen chose the path of producing cattle that fulfilled the needs of both registered and commercial buyers with high producing, well uddered females with strong udders and superior feet, legs and longevity. Herd facts: 2X 22,992 M, 4.5% 980 F., 3.4% 769 P., SCC an amazing 74,000. Many just fresh or due soon, exclusively AI bred for over 40 years to leading sires including, but not limited to: Achiever, Frazzled, Doc, Huey, Venture, Einstein, Diamondback, Moovin, Burley, Acura, Entity, and Galileo. Service sires include: Envy, Laker, Essex, Allegany, Gameday, Elon, Payload, Duffy, Aladdin, Fugelman, King Doc, Hannans, Pearce, and the list goes on.

The cows are milked in a tie stall facility and switched daily with all cows accustomed to free stalls and tie stalls allowing easy transition to any type facility. Excellent herd health program in place for many years. Hooves trimmed regularly. Bangs vaccinated.

Thank you for attending, we hope you are able to make several selections from our herd and that your selections will not only meet, but exceed the high genomic and production standards of today's dairymen and women.
