## JERSEY & AYRSHIRE COMPLETE DISPERSAL SALE

SEPTEMBER 10, 2022  
11:00 AM

5965 ST. RT. 29 E  
SIDNEY, OH

The history of Mill Valley Farms runs deep with generations involved in the cattle business on both sides of John and Donna's families. The ad at right highlights Donna's deep roots now carried through to the sixth generation with their grandchildren.

With Jerseys first coming into Donna's family in the early 1900s, it was a natural progression for her to follow in the footsteps of her father, grandfather, great-grandfather and great-great grandfather. Donna and John met on the tan-bark trail. He was an Ayrshire boy from neighboring Mercer County. They merged the two breeds when they married.

John and Donna purchased their first farm in 1972. This sale culminates their 50 years of breeding that have been exhibited at the highest levels of show. They have bred well over two dozen All-American and Reserve All-Americans between the two breeds and more than double that in Junior All-American honorees.

Hard work and dedication has resulted in an operation that includes 2,000 total acres, with Jeromy and his three boys. The boys, who are often seen in the showing on the halter, also operate a 500-head beef finishing barn with their father.

In addition to winning banners and accolades with the cattle, four generations have been recognized with showmanship awards at the All-American Jersey Shows, including Donna winning the top female showman award in 1994. John and Donna have been inducted into the Ohio State Fair Hall of Fame for exhibiting for over 50 consecutive years at the Ohio State Fair. They were the recipients of the Ohio Pioneer Recognition Award from the Ohio Jersey Association in 2005. In 2020 Donna was the recipient of the Max Gordon Recognition Award during the All-American Jersey Jug. This year they had the honor of four of their Jersey cows grace the cover of the *Hoard's Dairyman* for the judging contest. John has been awarded the Ohio PDCA Award and they received the 2003 Ohio Spring Show Meritorious Award. Rounding out their activities, both John and Donna are committed to service on boards within the industry and community, including Donna serving on the Ohio Jersey board for over 30 years and John being a part of the Ohio PDCA and Dairy Incentive programs. Donna is also an accomplished judge, placing cattle across the United States.

Along with all the plaques, banners and trophies that fill their house and garage, their greatest achievements are their children and grandkids who have continued the tradition of hard work, dedication and showing. All six grandchildren have exhibited at the highest levels and can be seen doing the work at the shows.

Congratulations to John and Donna on their successful and outstanding home-bred herd of quality Jerseys and Ayrshires and we wish them the best as they 'retire' from the day to day dairy lifestyle.

*A Tribute to Five Generations*  
Knoep and Greive Jerseys and Mill Valley Farms

For five generations we've been breeding Registered Jersey cattle in Ohio. The love of this little crown cow has been passed from Samuel Knoep, who started in this business in the early 1900s, clear through to Jeromy Greive and Gretchen Hageman. They hope their children will continue the business, to become sixth-generation Jersey breeders.

We've had numerous successes and been fortunate to breed many outstanding cow families using the DKG and XEK prefixes.

While it is hard to pick a few of our favorites, it's a heart breaker.

*This chapter of our life at Mill Valley Farms is winding down. It's extremely bittersweet to have to say good bye to our beloved cows that provided us a lustrous, rewarding life. We both hail from families with deep roots in this business of agriculture. Fifty two years ago, we took the first opportunity to trust our own guts and follow our dreams. While the challenges have been many over the years, we would not trade them for the satisfaction of following our dreams. We have been blessed with two children and their spouses and six beautiful grandchildren. All of them have played a huge part in making our dreams come true. As the years pass, we've come to appreciate the important things in life - peace of mind, a sense of fulfillment and the comfort of a loving family that was always there picking up the pieces when the need arises. We thank you from the bottom of our hearts. We also want to thank our parents, especially Donna's late parents Kenneth and Mary Grace Knoop and her late grandfather Clifford Knoop for the values and teachings they have given her to help to acquire the herd they have today.*

*We truly believe that one of the best things the dairy industry has brought us is friends. We have made friends throughout the state, across the country and Canada. No matter where you go dairy farmers are the cream of the crop and we have been able to have met some of the very best. We thank all of you for being our friends and helping us at shows or whatever it may have been. A special thanks to Kelly Epperly for all his help throughout these past years.*

*Lastly, we are proud to say that we have bred all the animals except one Ayrshire. Our hope is that the new owners will find rewards with these cows like we have. We sincerely hope they do well for the buyers as they have done for us. Thank you for your friendship, your support and your interest in our cows. We wish you the very best.*

# The Sale

*By Todd Woodruff*

*The banners won over the years,  
Are a reminder, of the blood, sweat and tears,*

*They come with this business, if your going to do it  
right, it takes all day and into the night.*

*But now it's time, we make a change, due to age ,  
or somewhere in that range.*

*The sale is scheduled and I hate the thought, that my  
favorite cow is going to be bought.*

*After all the years of twice a day, I'll walk in the barn  
with no smell of hay.*

*No cows or calves even the cat, I remember the day he  
shit in my hat!*

*It's hard to explain the feeling we get, it's a feeling that  
won't ever leave, wouldn't you bet?*

*Sale day is here, and the time has come, when the  
auction starts I'll simply feel numb.*

*It's going to be over way too soon, the barn will be  
empty and oh what gloom!*

*But life goes on, it has its way,  
Of finding happiness in each day!!*

*Thank you to all our family and friends throughout the  
years. This, we will always cherish!!*

*John and Donna Greiwe*

# Terms and Conditions

**TERMS:** The terms are cash or check on sale day payable to **TODD WOODRUFF ESCROW** in U.S. funds unless other arrangements are made with the consignor prior to the sale. All payments must be made to the clerk of the sale and no release of animals will be given until satisfactory settlement has been made. The guarantees listed below shall be offered by the seller only after payment terms have been met by the purchaser.

**BIDS:** The highest bidder shall be the buyer. In case of dispute, the animals shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. Every animal is pledged to absolute sale and by-bidding is prohibited. Every animal must be transferred to the new owner and may not be transferred back to the seller, except at the discretion of the recording society concerned.

**EXPORT TRANSACTIONS:** Prospective buyers or agents must make satisfactory agreement regarding health tests and requirements with the consignor and/or sale's management prior to the sale. Failure to do so shall make the buyer responsible for all health tests. Any special terms of payment must be cleared with the sale's management prior to the sale.

**RISK:** All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a reasonable length of time. Purchasers must make arrangements for care of their purchase if not removed within 24 hours following the sale. Separate agreement must be approved on export cattle. All animals are at the consignor's risk prior to selling in the event of fire or other mishap. All semen and embryos sold shall immediately become the buyer's property and risk as soon as struck off. Shipping assistance will be given; however, no risk on loss is assumed by the sale's management.

**CERTIFICATES OF REGISTRATIONS:** Certificates of registration or identification (or whichever applies) showing transfer to the buyer on the records of the American Jersey Cattle Association will be furnished at the seller's expense. Sale management shall be responsible that every animal will be transferred within 30 days to the purchaser.

**SHIPPING:** Assistance will be given in loading and shipping animals, but no risk is assumed by the sale's management or seller.

## **WARRANTIES:**

- (1) The seller warrants clear title to the animal and right to sell the same.
- (2) Unless otherwise noted in the catalog or announced from the auction stand, each animal is sold as sound. All udder guarantees will cease when the cattle are loaded for removal from the barn.
- (3) **BULLS:** Are sold as being able to serve and settle after reaching 14 months of age. The buyer is expected to provide reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller within four months after the bull reaches 14 months of age. The seller shall then have six months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price.

**FEMALES:** Any female pregnant when sold or that has freshened with 90 days prior to the date of the sale is by that fact considered a breeder. Should any other female not pregnant when sold fail to become pregnant within six months of sale date, or if less than 15 months old when sold, by the time she reaches the age of 21 months, after having been bred to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller within two weeks of the aforementioned times. The seller will then have the privilege of six months time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant, but pregnancy is not guaranteed. The seller makes no warranty that females announced safe in calf will deliver live calves, or that they will carry calves full term, nor does he guarantee that the calf carried will not be mummified. In no case shall the seller be responsible for more than the sale price of the animal.

- (4) Above warranties cease when the animal is disposed of by the original purchaser.
- (5) Transportation charges on all animals subject to adjustment shall be paid by shipper.
- (6) The Breeding Warranty is eliminated if a female is flushed or super-ovulated following the sale.

**HEALTH CERTIFICATES:** Official health certificates will be provided to the purchaser of each animal. Results of any future health tests are not guaranteed.

**ERRORS:** The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced, such announcements to take precedence over the matter of print in this catalog. Neither the editors of the catalog, the sale's management nor the consignors can assume any responsibility for any errors or omissions in the catalog.

**ACCIDENTS:** The Sale Manager, auctioneers and owners are not in any way responsible for the condition of the grounds nor the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

Dear Friends,  
 Thank you for your cards, papers, notes and kind words during the recent illness and passing of our father, grandfather and great grandfather Kenneth E. Koop. He was a special man. He loved his family and his Jersey cow. He especially enjoyed the friendships he made with the Blue Jersey breeders. He supported us in every way at the shows and we will miss his counsel and guidance.

Sincerely,  
 The Family of Ken Koop
