

# **BLUE-GENE**

**Registered Holsteins  
Complete Dispersal**

**Friday, May 20, 2022  
10:30 AM  
North Bangor, New York**

Where has the time gone? Holly and I have been married for 48 years this November. We were blessed with six children. Four boys and two girls and now 21 grandchildren. Our fourth son Andre' has worked for us since he graduated from high school for 24 years.

My first business was an electrical business. Perhaps this is the "spark" that allowed us to start our farm. I had gone on a service call to a farmer in Malone In those days farmers would barter for their services. So, I came home with two heifer calves. Before long, I had put together a small herd of 25 springing heifers.

As my Dad was retiring, we purchased a 100 acre piece of land that had no buildings or a house on it. Between 1977 and 1979 we built our home and dairy barn. On February 25,1980 our fourth son (Andre') was born and we shipped our first load of milk-165 pounds. Shortly thereafter we began to purchase some registered holsteins from local farmers that were already established in the dairy business. Before you know it we were milking a barn full and had to register them and pick out a farm name. Because blue was our favorite color and we shortened up Eugene's name we decided to name our farm "Blue-Gene Farms".

In 1985, tragedy struck our farm with a barn fire and a total loss. But that didn't stop us. We were up and running five months later. We purchased 22 head a the Childstock auction in Malone from Allen Childs.

Our love for the registered business has developed to what you see here today. Over the years we have developed 71 excellent cows and had nominations for All- Americans. Andre' and his five children have been very active in showing his and our cattle at our local fair. We've had several breeders herd awards,best three females, best bred and owned as well as grand and reserve champion cows. All this would not have been possible without the support of our family and friends.

My driving force was my Dad--Edward Poirier. He was a hard worker and told me there was no such thing as the word--CAN'T. Our hard work and belief in God is what has brought us to where we are today. Thank you for coming today, and hope you are satisfied if you purchase one of our animals today.

Thank You & God Bless!

Eugene, Holly, Andre, Eric, Adam, Scott, Jennifer, & Sarah & our 21 grandchildren!

# Blue-Gene
