

2022 NATIONAL HOLSTEIN
Convention Sale

MILITARY HERITAGE ALLIANCE - SIOUX FALLS, SD

June 30, 2022

Welcome!

The 2022 National Holstein Convention Sale Committee would like to extend a warm welcome to you, and we thank you for your interest.

We feel we have put together a group to meet everyone's needs – no matter what those are. We are offering; top genomic opportunities, outstanding deep pedigrees, fresh show cows, fancy show prospects, and even a chance to add to your bulk tank by choosing a semi-load of fresh cows with unlimited potential from over 500 head!

We would like to thank all our consignors for offering their best, whatever we asked for. The Committee would also like to thank our selectors and sale staff, they are some of the bests in this business!

We'd also like to thank Paula Bovre and the Great Northern for the great work on the catalog, it's enjoyable to work with someone so good and willing to help! We are grateful to all our supporters who have designed and donated ads and the staff and interns at MN Holstein for their assistance – we couldn't do it without you!

The venue and location didn't allow for live animals, but we feel you will be well satisfied with your purchases while enjoying a terrific atmosphere to that this wonderful event.

Thanks!
2022 National Holstein Sale Committee

Responsibilities of Buyers & Sellers

THE CATTLE OFFERED IN THE NATIONAL SALE WILL BE SELLING IN ABSENTIA

Please read the details below for obligations of both Buyers and Sellers.

Buyers Responsibilities

If your bid results in the purchase of any lot selling in this sale, either at the sale or selling in absentia, you are obligated for full purchase price when the gavel falls. Buyers can protect their investment by procuring insurance offered at the clerk's table. It is not, the seller's, not the sale managers responsibility to ensure cattle or guarantee cattle for buyer once the gavel has fallen. Buyers assume all risk and rewards.

If you acquire an animal selling in absentia, that animal is guaranteed to be in good health and condition at the time of pick up from seller's farm. It is the duty of the buyer to have the animal inspected and approved prior to loading. We suggest that the buyer retain a certified veterinarian to inspect said purchase prior to loading. Once an animal is loaded for transport, all obligations of the seller cease. Neither seller nor sale managers can be held responsible for cattle that are transported, delivered, and deemed unacceptable by buyer. Any issues should be dealt with prior to loading cattle that have sold in absentia. It is the responsibility of the buyers to obtain insurance after purchase or take the risk of self-insuring, not the sellers or sale managers. Purchase must be picked up within 30 days or buyer will be responsible for a boarding fee.

Sellers Responsibilities

Any cattle sold in absentia under four months of age will be housed at the seller's facility at no extra charge to buyer until four months of age. Seller guarantees a sound, healthy animal at time of pick up and transport that has been arranged by the buyer. Sellers will perform necessary test and a Certificate of Veterinary Inspection (CVI) as required for entry to buyer's state and for insurance purposes at no extra charge to buyer. These tests will include TB, Brucellosis, BVD, and a Shipping Fever Vaccine. Seller's guarantee said animals will pass these tests and these tests only. If a buyer asks for additional testing the buyer will be responsible for the extra fees associated with those tests and regardless of the outcome, is obligated to take possession. If an animal is deemed unhealthy at time of pick up by a certified veterinarian, the seller and sale manager will refund 100% of the proceeds paid by said buyer. If an animal selling in absentia is left at the seller's farm over four months of age, the buyer will be responsible for board fees of \$6.00 per day until said animal leaves.

The Terms and Conditions above may not be altered without the written consent of both buyer and seller

IVF Sessions

Sessions offered in this sale must be performed by a certified IVF facility or practitioner that is agreeable to both Seller and Buyer. If after four IVF sessions the guarantee has not been fulfilled, the seller will remit to the Buyer a refund on pro-rated price based on original sale price after eight #1 or #2 embryos to be transferred or frozen if requested by the Buyer.

Example: Sale price of \$40,000.00 on an IVF Session would equal \$5,000.00 (or sale price divided by eight) refund per embryo not produced in event all embryos are not produced. IVF flush histories available upon request.

Absentee Bidding

If you are unable to attend the sale, please feel free to contact the sale management or any member of the sales staff. They will be happy to assist and represent you at the sale. The sale staff is available to assist potential buyers unable to attend as well as anyone in attendance. Please feel free to call upon them for advice. Also, the sale will be broadcast live via www.cowbuyer.com with real-time bidding to pre-approved buyers.

Terms of Sale

Cash/Check/Credit Card (3% extra charged on credit card purchases)

Payment in full on sale day unless prior written arrangements have been made with the seller and sale management. If buying via Cowbuyer.com or sale staff representation, then full payment must be made within 5 business days of the Sale. No Exceptions. Special terms MUST have prior approval by seller and sale management. Partners reserve the right to bid on all partnership consignments. Choice lots require 35% of payment the day of sale and the remaining balance is due at pick-up which is at four months of the animal's age.

IVF SESSION

Buyer is purchasing rights to control the next IVF session(s). Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced. Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer. Buyer keeps all resulting embryos from these controlled IVF sessions. Buyer is responsible for all costs of the aspiration and mating sire decisions.

Buyer is purchasing rights to control the next IVF session(s). Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced. Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer. Buyer keeps all resulting embryos from these controlled IVF sessions. Buyer is responsible for all costs of the aspiration and mating sire decisions.

Buyer is purchasing rights to control the next IVF session(s). Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced. Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer. Buyer keeps all resulting embryos from these controlled IVF sessions. Buyer is responsible for all costs of the aspiration and mating sire decisions.

Buyer is purchasing rights to control the next IVF session(s). Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced. Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer. Buyer keeps all resulting embryos from these controlled IVF sessions. Buyer is responsible for all costs of the aspiration and mating sire decisions.

Buyer is purchasing rights to control the next IVF session(s). Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced. Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer. Buyer keeps all resulting embryos from these controlled IVF sessions. Buyer is responsible for all costs of the aspiration and mating sire decisions.

IVF SESSION

Buyer is purchasing rights to control the next IVF session(s). Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced. Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer. Buyer keeps all resulting embryos from these controlled IVF sessions. Buyer is responsible for all costs of the aspiration and mating sire decisions.

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
 1. Cows over 7 years of age when sold;
 2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
