

Pleasant-Meadow Holsteins Complete Dispersal

Thursday, August 25, 2022 @ 10:30 AM
St. Marys, Ohio

Welcome to the Pleasant Meadow complete dispersal sale.

We have enjoyed working many decades with the registered Holstein cow. By knowing her pedigree, we always tried to make her calf an improvement. We felt fortunate to live in an area of good nutritionist, AI companies, veterinaries, dairy equipment dealers, and machinery dealers to solve any problems that could come. God has given us a lot of good years of good health and good crops.

August is the month the silos are near empty. We feel August 25th is a good time for a change in our lives. Hoping our Holsteins will be a good investment to their new owners.

P. M. Melvin says he's been milking cows since 1951 when he was 16 years old, and he's pulled a lot of teats and these are some of the best teats he's pulled!

Thank you for your support, Melvin, Phyllis, and Mark Fledderjohann.
