

LANGWATER
FUTURES

OCTOBER 1-4, 2022

Welcome

Welcome to the Langwater Futures. In the early 20th century the famed Langwater Farms developed one of the finest herds of Guernseys to ever grace the pastures of the United States. From regular sales and their ultimate dispersal, those greatly bred Guernseys became the foundation of many herds that lead the Guernsey cow to a dominance in milk production and purebred dairy cattle breeding that lasted for 60 years.

We believe the offerings in this sale follow that great tradition in offering embryos, choices and calves that will improve the genetics of every Guernsey herd in North America.

Please join us on Cowbuyer following the remarkable lineup of Guernseys that will parade before you on the colored shavings on October 4.

October 4, 2022 at 7:00 p.m. EST
Open for bidding October 1

This auction will be conducted on www.Cowbuyer.com. Please visit the website for any additional terms, information and bidding instructions. If you desire to bid and have any questions or issues please contact a member of the sales staff.
