Pennsylvania Holstein Association

Payment Information

Terms of Sale:

Cash/Check/Credit Card

(3% buyer's premium charged on credit card purchases)

First time buyers must present a current bank letter of guaranteed funds made payable to Pennsylvania Holstein Association.

If buying via Cowbuyer.com or sale staff representation, then full payment must be made within 5 business days of the Sale. Preferred forms of payment received are Credit cards through PA Holstein Association; overnight shipped certified check or wire transfer to PA Holstein Association account.

REAL-TIME BIDDING ONLINE AT WWW.COWBUYER.COM

- View/bid online in Real Time
- Registration is required. Please register at least one (1) hour prior to sale time at www.cowbuyer.com
- High Speed Internet is required. Slower speed will not permit you to bid and keep pace in real time.
- Terms: Purchasing online constitutes a legal contract and promise for payment of purchases. All purchases must be paid within five 5 days of sale date and prior to load out or delivery of cattle purchased.
- Cowbuyer.com is a service provider and is not responsible for the activity or inactivity of any technology, internet connection at the sale site or connection and technology of the bidders.

For questions or information, contact:

Aaron Ray Tompkins – 336/363-4639, atompkin@vt.edu

We Are...The Penn State Dairy Science Club

The Nittany Lion Fall Classic is a timeless tradition for the Penn State Dairy Science, and we are so excited to welcome you to the 39th edition of the sale this year. This sale not only presents a fantastic fundraising opportunity, but it also provides hands on learning experiences for our students ranging from taking deep dives into dairy genetics, developing marketing skills, to animal care and handling. But on top of it all, this sale acts as a week long bonding event that brings members from all areas of agriculture together. This sale would not be possible without the long-time partnership with our friends at Pennsylvania Holstein Association. As always, we are very appreciative of their guidance and support, and we would like to thank them for their countless hours of hard work and preparation they have poured into every aspect of this sale. Our consignors this year have truly put forward their best animals, and we can't thank them enough for their cooperation and support of this sale and our club as a whole. We hope that you can find a perfect addition to your herd whether that be in our big genomic lots, elite type lots, or anything else in between! We would also like to highlight the continued support and generosity of our sponsors that also help to make this sale a success for our club. From feed donations to providing shavings and equipment, our sponsors play a huge role throughout the week, and we cannot thank them enough. Check out the back of the catalog to view the companies that have worked with us so you can support them as well! Most importantly, I want to thank this year's sale chair, Ryan Allen, for the weeks of work that he put into preparing for this event and our barn manager, Ollie Prout, for helping this week to run smoothly. Their efforts, no matter how small, have not gone unnoticed, and our club could not be any more grateful and proud of what they've accomplished. From the bottom of our hearts, we would like to thank you for choosing to support not only our club, but also the next generation of the dairy industry.

Paige Raiffen

YOU ARE WHAT THEY EAT.
NEW CALF AND HEIFER NUTRITION FOR YOUR BUSINESS.

The healthier your calves are, the better you can feel about your bottom line. New HerdFirst® is for your young stock and your business. It delivers the right balance of nutrients required by the next generation of your herd, to help sustain the next generation on your farm.

GRF MS YASAFUKU F57 "WENDY WAGU"
DAM OF 104

Lot 104

MATTHEW BOOP
MILLMONT, PA 17545
570-412-9495

WENDY'S BABY

Registration Pending

Born: September 17, 2021

Sire: World's K Michifuku (FB1615)

Dam: GRF MS Yasafuku F57

Maternal Grand Sire: CHR Hirashige Tayasu 533 FB13499

Maternal Grand Dam: GRF MS Yasufuku C10 (FB23330)

Highest milk EBV in the breed from this family

Start setting up your recipients, because you will want more of these genetics on your table and in your barn. World's K Michifuku (FB1615) was formerly the top marbling bull in the breed. Michifuku consistently ranks second in ribeye area (REA) and fourth in backfat thickness (EPD). Some believe that he is the most influential bull that ever left Japan and came to the USA. Michifuku calves are thick with outstanding marble and have pleasant dispositions. GRF MS Yasafuku F57's daughter is a donor prospect you can build a herd around. Her Great Grand sire, Itoshigefuji 112X (FB12325), is a very large bull with excellent conformation and the highest milk EBV in the breed. Her Maternal Granddam, GRF MS Yasufuku C10 (FB23330), carries the highest of Japanese marbling genetics, with Yasufuku 930 and Kitaguni 7/8, twice in her pedigree; Both bulls being winners of the wagyu carcass championship held in Japan. F57 is free of all recessive traits and checks all the boxes for phenotype and genotype.

You are getting carcass size, superior marbling, maternal traits, and solid front pasture cows all in one very heifer. In this cross you are getting the highest milk EBV in the breed, excellent confirmation, superior marbling, large ribeye area and outstanding backfat thickness.

Both dam and Michifuku are free of all known genetic conditions.

The logo features the company name in a large, stylized, red-to-white gradient font with a black outline. Below it is the address in a simple black font. To the right, there is a photograph of a black and white cow sitting on a bed of wood shavings. The phone number and 'Call Us Today!' text are written in a red, slanted font above the cow.

“Supplying a variety of quality wood bedding for small & large animals and other commercial uses.”

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
 1. Cows over 7 years of age when sold;
 2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
