

SOUTHWEST VIRGINIA'S FINEST ANGUS SALE

Saturday • December 3rd, 2022 • Noon
SALE SITE

Washington County Fairgrounds • 17046 Fairground Dr. • Abingdon, VA 24212

To All Beef Producers,

We invite you to be with us on Saturday, December 3rd for the 2022 version of the Southwest Virginia Finest Angus Sale. This year we will be selling 54 lots of registered Angus females, which consist of bred cows, bred heifers, open heifers and cow/calf pairs. As with previous sales for 2022, if you do not feel comfortable attending in person due to the impact of COVID-19, we would like to remind you that the sale will also be streamed live on Cowbuyer.com where your bids will be received in real time. If you prefer to bid by phone, please contact either Smith Reasor or myself before sale day and we will provide you with a number you can call to place your bids that day.

The fall group of yearling Angus bulls from the SWVAA Performance Test will sell first, followed by the registered females. Fifty-five bulls were chosen to sell. They were all fed as a group at G&E Farms in Gretna, VA. They were weighed off test on 11/4/2022 and were evaluated by VDACS state graders. This is a good group of bulls from the SWVAA consignors. All of the bulls qualified under the Virginia Quality Assurance program and are designated with a VQA symbol underneath the EPDs. Negative BVD PI test at delivery on all bulls.

The sale starts at 12 noon with the bulls selling first. You are welcome to come by on Friday, December 2nd in the afternoon or on Saturday morning prior to the sale to evaluate the cattle being offered for sale.

I encourage you to study the pedigrees and performance information on these cattle. Many selling are sired by some of the most proven bulls available in the breed. The consignors of these cattle offered in this sale have been in business for a number of years. They are offering some of their best genetics from which you may select. The EPDs and pedigrees along with individual performance, will assist you in making your selections.

We look forward to seeing you on Saturday, December 3rd. Please feel free to contact any of the consignors or the sale coordinator, George T. Johnstone, Jr. at 620-4901, or the sale auctioneer, Smith Reasor at 620-3123.

Southwest Virginia Angus Association hereby reserves the right in its absolute and total discretion to refuse to accept any bid from any person or individual or to issue a bid number for any reason, including but not limited to, a previous instance of non-payment in a Southwest Virginia Angus Association sale.

George T. Johnstone Jr.

Consignor: **MOSSY SPRING ANGUS**

Mossy Spring Angus proudly presents a 'big spread' female that offers the potential to be dominant with her pedigree and excellence in her EPD profile and \$Values. Her level of genetic growth is hard to obtain while still keeping mature size in check. This Revelation daughter is short-bred and hails from a tribe with functionality and productivity. Her dam posts WWR and YWR of 106 and 101, respectively, and produced the top-selling Angus bull that sold to Bobby and Martha Jackson of Draper, VA at the 2021 BCIA Bull Test Sale in Wytheville. Breeding information will be announced on sale day. Certified and Accredited herd.
