WORLD FINALS

PREMIER

Sale

South Point Hotel

THURSDAY, NOVEMBER 3, 2022

1:00 P.M. | EXHIBIT HALL B

Welcome

Welcome to the ninth annual ABBI World Premier Sale!! We are thrilled you've decided to join us as we continue to make history and create exciting new avenues of opportunities for our breeders and stock contractors.

Over \$4.5 million has traded hands over the last eight Premier Sales, which we truly believe to be the bucking bull industry's most influential yearly sale. From the most sought after genetics to one-of-a-kind lots, this is the Sale where you can find something truly special. In past years we've sold bulls who went on to be PBR Short Round standouts and World Champion Bull contenders including Pearl Harbor and Handsome Jeff. You will see phenomenal genetics in this sale once again and we are honored to have animals representing some of the best bloodlines in bucking bulls today.

We are excited by the animals we have assembled this year for the ABBI Premier Sale and are glad you decided to join us for this event. Whether you are just starting out in the industry, need to add new genetics to your herd, are looking for a bull to compete with in the ABBI or want a PBR buckler, we have something for everyone.

As you study this catalog and the videos online, you will see sons and grandsons from some of the greatest arena competitors, as well as offspring of industry's most prolific sires and dams. With over 330,000 bucking cattle in our DNA Registry, ABBI understands the importance of genetics and our committee has worked tirelessly to bring you this selection of bucking bulls that we hope will be significant importance to their new brands.

Phone bids can be taken live during the event, however we request that you touch base with us over the phone pre-event if you are planning on bidding and can't join us in person. This way we can ensure things run smoothly using your preferred bidding method. The call-in number for phone bidding is 719-229-5483. Thank you for your support of these ABBI Sales and we wish you the best.

Sincerely,

ABBI SALE COMMITTEE

If you want to add some heat and intensity to your truck, take a look at this jam up offering. 22 has the ability to be a short rounder. He has taken some time to get lined out in the box, but he is dialed in and ready to get on the truck. Lady Killer is a Classic money earner, has been bucked at bull ridings and rodeos and is just coming into himself. He has all the right stuff. He hops, skips, gets off the ground and really kicks through it. He goes back to some great cattle, bulls, and females alike. Sired by a Fireshow son, making him go back to Showtime and the great 201-170. His paternal granddam is out of Page 0157X, the dam to Alakazam, Page F19 and more. On his bottom side you get a dose of heat from Cowboy Casanova. This bull is young and has a ton of potential to be a rank, short round type.

This jam up red bull is as electric as you could ask for one to be. He's tight made, a money earner and has had some outstanding trips. He has been on the rodeo truck and to the bull ridings and handles it all. He's in the gate to the right with a ton of kick and intensity. When he puts it all together, he is as impressive as it gets. He comes into the finals with the ability to win a lot more money and has a huge future ahead of him. He is seasoned and ready to go. We have bred to him as well, he has the kind of action and ability to get off the ground we look for in a potential sire, his calves should be the kind.

This is a special offering of a rank bull and a true breeding piece! Magic Carpet has been a standout from the start. He has had a ton of intensity and ability from the time we started him. He was on the top end of that set of calves and has stayed there. He was hauled a bunch as a futurity calf and placed most of the time. With a cowboy he has only gotten better. He is a hotter kind of bull and has had some outstanding trips. He has been on the truck and knows how to handle the road. This is an outstanding sire prospect. Sired by Magic Maker, one of the best sires we have raised to date, and out of an incredible cow family. He has Shepherd Hills Tested on both sides, and that has worked very well for us over the years. Don't miss out on a sound young potential super star and a potential super sire.

Fast forward to his 2 year old year, we decided to try our luck in the evolution competitions entering him for my son Hunter where he won him his very first buckle. He got pushed to the back burner to grow his 3 year old while Hunter competed all over in 2021 Youth Futurity Division. About March of 2022, we started to put some outs on him and immediately understood his talent and athleticism. Placing 2nd twice in Vinita and winning the 2022 MBBA Classic Finals Champion with a 90.25. Also being the high marked bull in the Lamer PBR with a 45.5 and a few team deals. He has a big heart and great breeding to back him up. If Buyer pays half the ABBI World Finals Fees, then Buyer will receive half of ABBI World Finals winnings
