Notes

Terms and Conditions of Sale

TERMS: The terms are cash or cheque on sale day payable to Great Northern Land & Cattle Co., Inc., in U.S. funds unless other arrangements are made with the consignor and management prior to the sale. All payments must be made to the clerk of the sale and no release of animals will be given until satisfactory settlement has been made. Compliance with the above terms of payment on the part of the buyer will then entitle him to the guarantees offered by the seller and listed below.

EXPORT SALES: Arrangements regarding health requirements and health tests for a specific importing country shall be a matter of agreement prior to the sale between seller and potential buyer. Otherwise, the buyer assumes all responsibilities for all health tests. Any agent purchasing for export accounts must identify themselves to the sales management prior to the sale and any special terms with regard to tests or payments must be cleared prior to the sale with management and consignor.

BIDS: The highest bidder shall be the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal is pledged to absolute sale. In case of dispute, the animal shall again be put up for advance bids, and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer on the stand accepted the last bid. In case two or more claim the bid, the auctioneer in the box shall indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly on an animal in which the bidder or any person for whom the bid is made has an ownership interest is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring.

RISK: All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for 24 hours. Purchasers must make arrangements for the care of their purchases beyond the 24-hour period, unless sold for export in keeping with separate terms. Animals are solely at the consignor's risk prior to selling in the event of fire or other eventuality.

CERTIFICATES OF REGISTRATION, RECORDING OR IDENTIFICATION: Will be furnished by the seller showing transfer on the records of the Breed Association to the purchaser and will be provided free of charge within a reasonable period of time.

WARRANTIES:

(1) Owner warrants clear title to the animal, and the right to sell same.

(2) Each animal is sound and healthy in every respect, unless otherwise noted in the catalog or announced from the auction stand. Embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each animal exactly as it is known. However, all animals are sold with no warranty that they are free of paratuberculosis. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that have never calved are in no way guaranteed as to the condition of their udders following calving. No guarantee is made concerning freedom from hardware unless so announced.

BREEDING: The seller has represented the breeding record of females and service age bulls as accurately as possible, but no male or female is guaranteed to be a breeder. No guarantees are made as to the accuracy of any ultrasound pregnancy results listed or announced.

SHIPPING: Assistance will be given in shipping the animals after the sale. All costs, risks and responsibility will be borne by the purchaser, with the exception of special terms for export purchases. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only official DHI or DHIR records are used in pedigrees contained herein. All records, except records in progress, are shown on crude protein scale. Any production or classification records followed by a quotation mark (") have been supplied by the seller or consignor. # indicates undesirable recessive carrier; #MF for mulefoot, #PT for pink tooth, *DP for dumps, *BL for blads.

PARTNERSHIPS AND SYNDICATES: In the case of cattle owned by partnerships and syndicates, any member of these partnerships or syndicates reserves the right to bid in their own behalf. Each member shall be identified.

EMBRYO TRANSFER: All registered animals that resulted from embryo transfer are identified with the suffix "ET" in the name. Any unregistered animals that resulted from ET are identified as having resulted from embryo transfer.

ET CHOICE OF FLUSH TERMS: 35% down payment at conclusion of sale; 65% due at selection and possession, no interest on unpaid balance. Possession date will be when the youngest calf in the group offered reaches 4 months of age.

HEALTH WARRANTY: The results of any future health test is not guaranteed. The seller and sale management hereby notify the buyers that all animals are sold as originating from a maximum risk paratuberculosis herd unless otherwise stated by sale management. The seller and sale management cannot be held liable.

AGENTS: Any person(s) acting as agent for the purchase of any consignment shall be held responsible for all of the terms and conditions of the sale including payment for their purchase. Agents are requested to have written authorization for the principals for whom they represent.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered they will be announced. Such announcement to take precedence over the matter of print in this catalog. Neither the editors of the catalog, the sale management, nor the consignors can assume responsibility for any errors or omissions in the catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

RESPONSIBILITY: In submitting the entries and in selling the animals listed in this sale, the consignor subscribes to the various sales regulations and warranties as above set forth and assumes full responsibility for his animals. All representations are made by the consignor. In no case, however, will the consignor be responsible for any damages beyond the selling price of the animals. Seller's responsibilities and warranties will cease when animal is resold. Great Northern Land & Cattle Co., Inc., as sale manager, assumes no responsibility, acting only as an agent, but will endeavor to protect the interests of both buyer and seller.

NOTE: You are respectfully requested to read the above terms and conditions of this sale, which constitute a legal contract between the Seller and Buyer of each lot, mutually binding in the event of any dispute.
