# 2020 VISION

We want to *sincerely thank you* for your interest in our first sale, '2020 Vision'! This sale is something that we have been dreaming of for several years and we appreciate all the supporters, family members, friends and mentors that have helped us in many ways to get this far. We are thrilled for this opportunity, to offer our cattle that we have worked to breed and develop, to other passionate breeders and individuals.

Our love for great cattle was instilled in us through our families and growing up around great cows. It is only fitting that we met showing in 4-H at the Big E, got engaged while attending the Royal Winter Fair and have created a program together doing what we love, along with many other projects and businesses.

Many of the cow families that fill these pages; we have been working with and developing come from a special place. The *Majestic* cow family stems back to a baby calf 'Mollie' that Marjorie was given for her third birthday from her parents. Ryan purchased 'Snowstorm', his herd leader from Marj Kuszlyk from her third string. Who could have guessed the impact that she has since had for Ryan starting the 'S' family line in the Shorthorns. While dating, Ryan purchased 'Shirley', who later began the foundation for the partnership in cows that they have now. *Verily* has a unique way of tying it all together for Ryan and Marjorie. Her sire was bred by Ryan's brothers and her maternal line was bred by Marjorie's father, holding a special place for them as a representation of our relationship.

We hope that you can have fun adding pieces of our story to your herds and we wish you the best of luck. We hope for the best in their futures and look forward to following them and watching them blossom for others.

Thank you,  
*Marjorie & Ryan*

2005 - NOM ALL-AMERICAN SUMMER YEARLING

# *Terms and Conditions*

**TERMS:** The terms of the sale are cash or check made payable to sale management for the full purchase price in U.S. funds on sale day. The seller, sponsor or sale manager reserves the right to require payment by certified check or in cash. If other arrangements for payment are made with the seller, a written agreement acknowledging such terms and signed by both parties must be filed with the sale clerk prior to release. All payments must be made to the sale clerk. No release will be given prior to satisfactory settlement, whereupon a signed order from the clerk must be presented to the loading crew. Seller retains title until payment has been honored unless other arrangements are made. Buyers are entitled to warranties as listed below only after full compliance with these terms.

**BIDS:** The highest bidder shall be the buyer. Every animal is pledged to absolute sale unless withdrawn for cause as determined by the sale manager. In case of dispute the animal shall again be put up for advance bids, and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. If two or more claim the bid, the auctioneer shall indicate the party whose bid was recognized. Other claimants will be given an opportunity to increase the bid. Bidding directly or indirectly on an animal in which the bidder or any person for whom the bid is made has an ownership interest is prohibited unless the intention to bid is disclosed specific to each animal in the catalog or announced from the auction stand.

**CERTIFICATES OF REGISTRATION:** Certificates of registration showing transfer to the buyer on the records of the Cattle Association for which they are registered, will be furnished by the seller for each animal at no cost.

**CATALOG INFORMATION:** The material in the sale catalog has been carefully edited. Any errors, omissions, or information noted after the printing of the catalog will be announced from the auction stand. Such announcements will take precedence over printed matter in the catalog. In any event, neither the sponsor nor the sale manager shall be responsible for errors or omissions.

**RISK:** All animals are at the purchasers risk as soon as struck off, but will be cared for at no cost for 24 hours. Purchasers must make arrangements for care of their purchases beyond the 24 hour period. Animals are solely at the seller's risk prior to being struck off, including the time while under the care and supervision of the sponsor or sale manager.

**BREEDING WARRANTY:** The seller guarantees his/her animals to be breeders.

**WARRANTY:** The seller warrants clear title to the animal and the right to sell the same. The seller makes no other warranties, express or implies, including without limitation, merchantability or fitness for a particular purpose. All warranties cease when an animal is resold or transferred by the original purchaser.

**HEALTH CERTIFICATE:** The seller will provide to the buyer an official health certificate for interstate shipment of each animal. No warranty is made as the condition or health of the animal or the result of any future health test or as to the condition of an animal's udder following calving. Herd and/or area accreditation and certification statues and calfhoo vaccination status will be printed in the catalog or announced from the auction stand. Health test and condition for sale to states with special health requirements are the sole responsibility of the buyer unless otherwise announced from the auction stand or otherwise agreed prior to sale between the seller and the potential buyer.

**SHIPPING:** Assistance will be given in loading and shipping animals after the sale but no risk is assumed by anyone associated with the sale when such assistance is given. All costs, risks, and responsibilities are borne by the buyer, and transportation chares on all animal subject adjustment shall be paid by the buyer, unless other arrangements are made.

**ABSENTEE BIDDERS:** While it is preferable for prospective bidders to attend the sale in person, for the convenience of those not present, members of the sales force will represent you at the sale. Others handling bids for absentee buyers should identify themselves to the sponsor or sale manager before the sale to ensure that the terms of the sale are complied with. Any person handling a bid for an absentee buyer does so as agent only and is not responsible to the buyer for any animal purchased in the capacity.

**RESPONSIBILITY:** The seller is solely responsible for all warranties, as to animals offered for sale. The sale manager, auctioneer, and sponsor are acting as agents only and are not responsible for the title, condition, quality, fitness or productiveness of any animals sold. Examination of all purchases should be made immediately after purchase and any complaint must be reported to the sale manager before the close of the sale. Neither the sale manager, sale sponsor, the seller, the auctioneer, nor anyone associated with sale shall be responsible for accident, injury, or property loss to anyone attending the sale. The sale manger, sponsor, and auctioneer shall not be liable for payment of the purchase price of any animal sold. In submitting entries and/or selling animals the seller agrees to the terms and conditions set forth herein and assume full responsibility of his or her animals.
