Greetings to our Friends and Fellow Dairymen,

We want to take a moment to reflect on the past and to thank our Heavenly Father for the many blessings and privileges we enjoy. In April 2009 we started milking a grade herd, in December of 2011 we relocated to this farm, here on Queen Road. In 2012 we got started with Registered holsteins and our hearts overflow with gratitude for the many friendships and connections that have been made through the breeding, buying and selling of the registered Holstein cow. Looking back it has been a short eleven years since we've been involved with the local Holstein club, tours, picnics and sales. My goal was to breed and develop high scoring, high producing long lasting dairy cows, but it seems like the majority of motivations has come through people we met, friends we made and farms we visited.

Life is full of changes...

With mixed feelings we close this chapter of our lives and we want to heartily thank you for your support and friendship and also for your interest in this sale. We wish you the best with any new purchases. We appreciate the guest consignments as they definitely add value to our sale.

**In closing...We would like to challenge you, along with ourselves to remember,
...In the midst of the stress of business, try to take the time for the things that really matter**

...Follow your dreams, If you can imagine it, you can achieve it. If you can dream it, you can become it

...We are living the dream of 300 million Americans, raising our children on a family farm, in the fresh air and wide open spaces of rural America.

**Sincerely,
The Lapp Family
