FUTURES
Sale

The Future begins here!

SATURDAY, MARCH 18, 2023 11AM @ THE FARM

FROM THE ULTIMATE PAIR: DAUGHTERS OF EX-97 BLEXY AND EX-97 SUBLIMINAL SELL!

View photos and videos at...  CattleClub.com

Welcome!

It's hard to believe this is our 5th "Live" cattle sale....we have had some epic ones!!

From our first ever "Budjon Futures" Sale in 2009 to our "Get in the Game" sale @ The Great Northern in 2012, along with the "Define your Destiny" sales held at the farm in 2016 & 2018 which then started the wave of sales hosting the musical stylings of the infamous Nashville singers.....(and a few other online tag sales & reduction sales). We have had some great ones!

*If there is ONE COMMON DENOMINATOR to all our sales it is this.....
"Strong Cow Families Develop Outstanding Individuals"!*

It's always pleasurable to us when we hear about success stories from buyers with purchases from one of our sales, whether it is in the show ring, classification scores, OR the continuing development of a particular cow family. That is music to our ears!

This sale is no different. We have gone through our barns & hutches and 'hand-picked' a core group that represent what can now be YOUR future! They represent well-thought out matings placed on pedigrees that have not only played a part in our success as a business but also continue to have a huge impact on the breeds they represent....Holstein - Red & White - Ayrshire - Jersey.

*We want you to load up your trailer...EXCITED about your purchase & your investment for the Future!
We want you to feel confident that you spent your hard earned money on "The Right One"....the one that could change everything for you....just like us when we purchased the likes of: Elegance - Blexy - Subliminal - Cheers - Griffen - Sheraton - Shot - Karmina.*

Finally, we want to extend an open door & open ear policy, especially after the sale to anyone who needs our help, an opinion or just wants to share their stories about their investment with us.

We are here for you and will continue to work just as hard after the sale as we did to help promote the consignments beforehand.

It's our promise to you that we will help protect your FUTURE!

The Future Begins NOW!

*Thank you & Best of Luck
Tom & Kelli*

CASEY and JOSH HUSHON

Casey and Josh Hushon operate the day-to-day of Brothers Three, a small group of Brown Swiss and Ayrshires near North Prairie, WI. Started by the Hushon family in southeastern Pennsylvania in 1991, Brothers Three has bred or developed 39 All-American Nominations including 9 All-Americans, 8 Reserve, and the Junior Champion at World Dairy Expo in 2001, Brothers Three Wisper. Named a Superior Brood Cow by the Brown Swiss Association, Wisper has 11 Excellent daughters and half of the B3 AA Nominations trace back to her. In 2009, Brothers Three received the National Brown Swiss Young Breeder Award.

Since 2016, Ayrshires have been part of the B3 program through Casey's love for them that was fostered on her family's dairy in Maine. Last year, all three Ayrshires Brothers Three exhibited were in the top four at World Dairy Expo, and they exhibited the Junior Champion at Wisconsin State Show on the way to Madison.

Josh works for Cargill Animal Nutrition, serving as Strategic Marketing Lead for Dairy in North America. Casey is the Executive Director of Hope Church, a large non-denominational church in Oconomowoc, Wisconsin.

MADISON FISHER

Madison currently resides in Frostburg, Maryland where he works as the herd manager for Gladheart farms as well as a part time cattle fitter which he has done since he graduated from the Farm and Industry short course at the University of Wisconsin. Madison operates under the prefix of Big Guns with his father and together they have bred and sold many class winners and champions at World Dairy Expo, National Livestock Exposition, and All American dairy shows.

Highlights of their breeding program include Big Guns Jamaica Vanilla EX-95 and receiving premier breeder of the Jersey Heifer show at NAILE in 2019 and 2020. Madison also manages large tie-in groups for several different breeders and exhibitors at various shows through out the U.S. Having prepared several cattle that have achieved champion and Jr champion honors at shows such as World Dairy Expo, North American International Livestock Exposition, along with several other state and national shows.

NICK SARBACKER

Nick and Jessica Sarbacker's love of the Holstein breed started many years ago on their family's farms - Fischerdale Holsteins and Agnew Farms, respectively. A short 12 years ago, these two got married and began their lives together, and began 'Heritage Holsteins' - a now household name in the show industry.

Their first purchase and matriarch of Heritage Holsteins is still rooming the pasture at Heritage Holsteins, KY-Blue Gw Debbie-ET EX 94. Other notable cow families that Nick & Jessica have developed over the years include: The purchase of Linerway-CM Absol Sassy-ET EX 91, from this family they bred Heritage Sassy Lipstick-Red who was Junior Champion at the 2018 Midwest Spring National Red and White show. The Sarbackers also played a part in the development of several other All-American and All-Canadian Nominations like Aingers Advent Bambi who was Intermediate Champion at the Royal Winter Fair. Recently they have been investing in key maternal lines in the breed, owning a daughter out of SSI Doc Have Not 8784- ET and two granddaughters of Rosiers Goldwyn Blexy-ET. They also enjoy helping others excel in the show ring. This past year helping friends achieve the 2022 Junior Champion of the International Holstein Show.

Marketing cattle is an area that Nick & Jessica have truly mastered - whether it be their beautiful display at various shows, Nick's talent behind the camera, their creative social media posts, or the revolutionary Cattleclub.com. Nick has built and created Cattleclub.com which provides breeders the opportunity to sell embryos, semen, and live cattle at the tips of their fingers. Nick also provides marketing services for fellow breeders, capturing pictures and videos which have given

breeders the opportunity to market their animals and genetics to the fullest potential and reach an audience across the globe while also capturing those moments that "last a lifetime."

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
 1. Cows over 7 years of age when sold;
 2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
