

FUN ^{IN} THE Minnesota SUN

**Friday, June 16, 2023 • 12:00 Noon CDT
Pine Island, MN**

Pride is the word I use to describe the “Fun in the Sun” sales series! What started as an idea proposed by David to Rick and I, on June 26th, 2014, at the National Convention Sale, set the wheels in motion for what has become the largest grossing sales series in our Holstein industry. Our first sale in November 2014 totaled \$879,000.00 and Merry Rama was shell shocked that amount could be achieved with no live animals in attendance! So many consignors and buyers were interested and participated from North America.

Preparation is the best word to describe our success, we plan every sale well in advance with each of us bringing a different set of tools to make this happen. It is not luck. We PLAN to acquire the right consignments and change as the market changes, ensuring the most relevant details are highlighted on the sale page and most importantly, each lot receives attention with the goal for each consignor “to maximize \$\$\$”. We make sure to contact a large, targeted group of potential buyers and provide all the information necessary to make the best decisions for them. We pride ourselves that so many buyers ask for our opinions, advice, and additional information that is pertinent for them. We have sold males and females of multiple breeds that have produced breed leaders worldwide!

Friendships. This is a business, but who knew how involved we would become in each other’s lives. We talk weekly. We know so much about our collective families. We care about each other’s well being and now entering the senior years starting to discuss sickness and health. We laugh often, and set each other up with jokes and pranks basically just to hear Dave’s baritone laugh; we don’t discuss politics though, which also infuriates him!

This sale represents our 21st Fun in the Sun sale and we are happy to host at our home! This event is for all our friends, including former and current consignors. Our property is a true labor of love; Nikki and I work on projects each night to beautify our home... it’s something that brings us joy. We hope you can join. As always, we will have a heck of a sale!

On behalf of Dave and Merry, Rick and Ellie, Nikki and I, Welcome to Fun in the Minnesota Sun! - *Scott*

Terms of sale: Buyers will be invoiced immediately after the sale by Merry Rama via email. Immediate payment is expected unless other arrangements have been made with sale manager. No live cattle purchases should be moved, nor IVF Sessions performed, until Buyer has made complete payment to The Cattle Exchange!

Buyers of live cattle will have 30 days to remove their purchases from seller's facilities. Any live animals not removed within 30 days or less, buyers will be assessed a fee of \$8 per day additional board cost to be paid prior to removal unless other arrangements have been made in writing with the seller.

Sellers guarantee a sound, healthy calf at time of pick up that will pass TB and Brucellosis requirements if necessary. If Buyer requires additional tests, those tests would be at the expense of said buyer. It is Buyer's responsibility to contact seller with destination for health charts, any extra testing required and transportation arrangements. Once an animal is loaded for transportation, the buyer assumes all responsibility for the health and welfare of said animal.
