

40th Cobleskill Dairy Fashions Sale

SUNY Cobleskill

Saturday April 29th, 2023 at 11AM

"Where Quality Cattle are Always in Style"

Welcome, everyone, back to Cobleskill!

As President of the Dairy Cattle Club, here at SUNY Cobleskill, I am excited to welcome each and every one of you to the 40th Dairy Fashions Sale. The amount of support that is given to the club each year to produce such a high-quality sale is tremendous. For that, I would like to personally thank the consignors, donors, and auction staff, as well as our families, friends, advisors and of course my fellow students. It is because of everyone involved that this is the longest running collegiate sale in the nation.

A special thank-you goes out to our consignors; without you we would have no reason to be here today. We deeply appreciate your willingness and trust that goes with putting these impressive dairy animals into our sale. This is a learning opportunity for every student involved, whether they have grown up in the dairy industry or not. Without your support, this capstone event of our academic year would not happen.

I would also like to thank two very important men that are key to the success of our sale: Dave Rama and Daniel Brandt. Mr. Rama's auctioneering skills are unmatched in the industry, and we appreciate his willingness to come help at our sale. Mr. Brandt keeps us moving in the right direction with his experience in managing dairy sales and his extensive pedigree work, a big thanks to him as well.

It goes without saying, that this sale is for the students, by the students. Each of our elected sale chairs and co-chairs have worked diligently to make sure that this day is a success, of these I would like to give a special thanks to Erin Curtis, our Sale Chairperson and the committed work of all the Sale Chairs. I would also like to thank our trusted advisor Carrie Edsall for her continued support, she works so hard to see this sale go off without a hitch for no other reason than student success. And of course, thank you to the many club members that have shown up time after time to lend a hand.

Being the largest club on campus, it shouldn't surprise you that Dairy Cattle Club offers some of the most notable experiences for students here at SUNY Cobleskill. It is because of the success of this sale that these opportunities exist for our 70+ student members. Whether it be in-house guests from industry, Dairy Judging, the Dairy Challenge, or interstate bus trips; students leave the Dairy Cattle Club with more knowledge and experience thanks to this day. It has been the honor of my college career to serve as the President of Dairy Cattle Club, and I thank you all for being here today to support us.

Sincerely,

Philip Rea

2022-23 SUNY Cobleskill Dairy Cattle Club President

SUNY Cobleskill 40th Dairy Fashions Sale

Saturday, April 29, 2023 @ 11:00am • Cobleskill, NY

Sale to be held at the dairy barns located at Schoharie County Fairgrounds
(GPS address: 113 Sunshine Drive, Cobleskill, NY)

Directions: From I-88, take Exit 21 (Warnerville) and turn right on Rt. 7. Follow Rt. 7 to County Route 1 (Mineral Springs Road). Go to Grand Street, turn left and Fairgrounds is on the right. Parking will be available. For delivery of consignments, follow signs at fairgrounds.

Celebrating

David B. Thompson

Retiring after 26 years of Teaching

We will miss his tireless dedication, funny memorable quotes, and his passion for the dairy industry and Hispanic laborforce. We dedicate this year's sale to an educator that has inspired countless students to pursue their dreams. Thank you Mr. Thompson for teaching us all these years. We love you!

LOT 25 IVF Session

**Buyer is purchasing rights to control the next IVF session(s). Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced. Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer. Buyer keeps all resulting embryos from these controlled IVF sessions. Buyer is responsible for all costs of the aspiration and mating sire decisions.*

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:

1. Cows over 7 years of age when sold;
2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
