Welcome to the 21st Badger Invitational!

We are pleased to welcome you to the 21st Badger Invitational-Platinum Collection Sale. Striving to continue our 42-year tradition of being one of the most prestigious collegiate sales in the country, we are excited to offer more than 50 embryo and choice lots that are superior in type and are sure to make an impact in your herd. The Platinum Collection will be held via Cowbuyer. Join us to be part of the rich history of the Badger Invitational!

Through acquiring and managing consignments, designing advertisements, and securing sponsorships, our sales team has dedicated many hours to hosting this sale. However, the Badger Invitational would not be possible without the invaluable guidance and support of our alumni advisor, Kevin Jorgensen, Paula Bovre of Great Northern Land and Cattle Co., Chris Hill of MD-Hillbrook Sales and Services along with our dedicated alumni and generous consignors.

A committee comprised of Emma Vos, Tamra Ihm, Kylie Konyn, Olivia Spaight, Nicole Broege, Elise Bleck, and Grant Vosters, has utilized skills in design, marketing, social media management, and pedigree selection to create an enjoyable experience for our consignors and buyers. We have worked tirelessly to ensure the success of the sale and are excited to see months of hard work pay off.

Our Platinum Collection sale will surely be one to remember featuring the best line-up we have ever assembled. We hope to see you on Friday, March 24th, 2023 at 7 p.m. CDT via CowBuyer.com or in person at the Harley Davidson Center of Madison.

Paris: Super Brood Cow with 25 Sons in AI

Over the last two years, Siemers Parfect has become one of the best known young genomic bulls in the industry and has many well-balanced, high indexing offspring to prove it. Now his younger brother Siemers Pazzle is getting more of the limelight. They are just 2 of the 25 sons (!) of Paris that are on active AI rosters. Here is a look at the super brood cow Siemers Lambda Paris.

 DOUG SAVAGE

Siemers Lambda Paris 27856 EX-91: Although she is now 5½ years old she continues to produce calves as high as 3100 gTPI.

dam of Tango Paris. Facebook Paris was in the Semex display tent, and she didn't disappoint. She was so balanced, but there were a few problems. First, she wasn't quite high enough on indexes to be super competitive anymore, and also, we knew it would take a lot of money to purchase her. This was also the same sale that we purchased Mogul Hanker, and we had already decided that we were going to purchase her no matter the cost. Facebook Paris had a daughter selling along with her in the sale with exceptional numbers, so I called Ari Ekstein from Quality Holsteins, where Tango Paris was bred, to inquire about this calf. I'll never forget Ari's comment: "The only reason we're selling her is because we have some partners who want to get out. She's the best calf in her pen." So now we had 2 animals to purchase that night, no matter the cost! Tango Paris went into our donor group soon after arriving, and the rest is history. In our farm's history, these 2 purchases were the best, and to think we bought them the same night still makes me smile!

The story of the foundation of the Paris family in the Siemers' herd in Wisconsin starts with the cow Quality Tango Paris; Dan Siemers fills us in on the background. 'Back in 2014, we wanted to purchase a few outstanding new genomic cattle, and no sale was more loaded than the Planet Holstein Sale. We went into "Expo week" really wanting to purchase Facebook Paris, the

TERMS AND CONDITIONS OF SALE

TERMS: The terms are cash or cheque on sale day payable to Great Northern Land & Cattle Co., Inc., in U.S. funds unless other arrangements are made with the consignor and management prior to the sale. All payments must be made to the clerk of the sale and no release of animals will be given until satisfactory settlement has been made. Compliance with the above terms of payment on the part of the buyer will then entitle him to the guarantees offered by the seller and listed below.

EXPORT SALES: Arrangements regarding health requirements and health tests for a specific importing country shall be a matter of agreement prior to the sale between seller and potential buyer. Otherwise, the buyer assumes all responsibilities for all health tests. Any agent purchasing for export accounts must identify themselves to the sales management prior to the sale and any special terms with regard to tests or payments must be cleared prior to the sale with management and consignor.

BIDS: The highest bidder shall be the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal is pledged to absolute sale. In case of dispute, the animal shall again be put up for advance bids, and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer on the stand accepted the last bid. In case two or more claim the bid, the auctioneer in the box shall indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly on an animal in which the bidder or any person for whom the bid is made has an ownership interest is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring.

RISK: All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for 24 hours. Purchasers must make arrangements for the care of their purchases beyond the 24-hour period, unless sold for export in keeping with separate terms. Animals are solely at the consignor's risk prior to selling in the event of fire or other eventuality.

CERTIFICATES OF REGISTRATION, RECORDING OR IDENTIFICATION: Will be furnished by the seller showing transfer on the records of the Breed Association to the purchaser and will be provided free of charge within a reasonable period of time.

WARRANTIES:

(1) Owner warrants clear title to the animal, and the right to sell same.

(2) Each animal is sound and healthy in every respect, unless otherwise noted in the catalog or announced from the auction stand. Embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each animal exactly as it is known. However, all animals are sold with no warranty that they are free of paratuberculosis. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that have never calved are in no way guaranteed as to the condition of their udders following calving. No guarantee is made concerning freedom from hardware unless so announced.

BREEDING: The seller has represented the breeding record of females and service age bulls as accurately as possible, but no male or female is guaranteed to be a breeder. No guarantees are made as to the accuracy of any ultrasound pregnancy results listed or announced.

SHIPPING: Assistance will be given in shipping the animals after the sale. All costs, risks and responsibility will be borne by the purchaser, with the exception of special terms for export purchases. Transportation charges on all animals subject to adjustment shall be paid by the shipper.
