

# Upstate Beef Project

Welcome to the 2022 Upstate Beef Project Virtual Sale. This year we have seven (7) South Carolina 4-H and FFA members that have worked very hard over the last year to get their beef animals to an excellent quality. All seven (7) of these steers will weigh in at or over 1,000 pounds by the time of the sale. These animals are some of the best quality beef and have been well taken care of by these 4-H'ers. The Upstate Beef Project allows the youth to exhibit an animal and learn how to keep accurate records through the South Carolina 4-H Beef Record Book, responsibility, valuable life skills, finances, and so much more. During the fall these youth exhibited their projects competitively all around the state of South Carolina and some neighboring states showcasing their projects at numerous local, regional and state shows. All the proceeds from the sale of the animals will go directly back to the youth. Please help support South Carolina 4-H members and the leaders of tomorrow!
