RISK: All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for up to 30 days.

HEALTH CERTIFICATES: Each animal shall be accompanied by an official health certificate approved by the livestock sanitary official of the state of origin. Before shipping cattle into some states, it is necessary to obtain a permit from the livestock sanitary official of the state into which the cattle are to be shipped, and since no charge is usually made for a permit, it may expedite the shipping of cattle if intended purchasers secure their permits before the sale. Results of any future health tests are not guaranteed.

CERTIFICATES: Each animal is recorded, or will be recorded, in the Herdbook of the Society. The certificate of registry with recorded transfer will be furnished by the seller to the purchaser when payment is made in full, free of charge.

ERRORS: If any errors or omissions are discovered, they will be announced from the auction stand, such announcements to take precedence over the matter of print in this catalog. Neither the editors of the catalog, the sale's management, nor the consignors can assume any responsibility for any errors or omissions in the catalog.

WARRANTIES:

- 1) The consignor guarantees right and clear title to property.
- 2) Unless otherwise noted in the catalog or announced from the auction stand, each animal is sold as sound.
- 3) Each animal is sold as a breeder subject to the following conditions:

FEMALES: Any female pregnant when sold or that has freshened within 45 days of date of sale shall be considered a breeder. Females bred when sold are presumed to be pregnant, but pregnancy is not guaranteed. Should any female not pregnant when sold, after reaching the age of 21 months, fail to become pregnant within four months having been bred to a bull known to be a breeder and after having been treated by a competent licensed veterinarian, the matter shall be reported in writing to the consignor, who shall then have the privilege of three months time in which to prove the animal a breeder before refunding the purchase price or making other satisfactory settlement to the buyer. The consignor makes no warranty that pregnant cows will deliver live calves, nor that they will carry calves full term, nor does he guarantee that the calf carried will not be mummified. In no case shall the seller be responsible for more than the sale price of the animal.

- 4) Heifers that have never calved are in no way guaranteed as to the condition of their udders following calving. No guarantee is made concerning freedom from hardware unless so announced.
- 5) Above warranties cease when the animal is disposed of by the original purchaser.
- 6) Transportation charges on all animals subject to adjustment shall be split between the buyer and seller
- 7) The Buyers is hereby notified that all cattle are being sold as not warranted as being free of Johnes Disease excepted where noted.
- 8) If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to super ovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

RESPONSIBILITY: In submitting the entries and in selling the animals listed in this sale, the consignors subscribe to the various regulations and warranties as set forth above and assumes full responsibility for his cattle. In no case, however, will the consignor be responsible for any damages beyond the selling price of the animal. The sale manager assumes no responsibility, acting only as agent, but will endeavor to protect the interest of both buyer and seller.

ACCIDENTS: The sale director, auctioneers, and owners are not in any way responsible for the condition of the grounds nor the behavior of the animals beyond reasonable care and precaution and disclaim any liability in the event of personal accident or property loss.

Thank you to all of our family, friends and fellow dairy enthusiasts that have supported, helped and mentored us to develop our Ayrshire and Milking Shorthorn herds. Thank you to the Reinholts family, who allowed us to buy into this incredible family with our first ever Ayrshire, Reinholts Shipley Valentine in 2011. Thanks also to Heavenly Show Cattle for allowing Dillon to purchase Heavenly Zora ET, the first Milking Shorthorn to call our farm home in 2019. These two cows have led to adventures beyond our wildest dreams. We look forward to seeing these offerings develop for you.
