17th Annual Central Kentucky Classic

Dear Cattlemen and Cattlewomen:

Thank you for supporting our sale for the past 16 years. This is our 17th annual sale and we learn more every time. We have worked hard to put this sale together and it shows in the quality of the animals we have for you. I truly believe this is the best offering we have had since starting the sale.

We would love for you to join us at this great event. It is more than just your typical auction. It is a time of food, fellowship and cattle. We are excited about the quality all our consignors have contributed to this year's event. Our goal is to bring quality cattle together so that you can improve your herd. If you attend only one sale a year, this is the sale for you!

We did things a little differently this year and my family stepped back and let some other people take more of a role in this event. I would also like to thank our consignors. Without you, this sale would not be possible. Thank you for your friendship, participation, and the memories. Thank you, Bob Morton, Ross Embry, Bradley Wilson and Lynn Lee, for all their hard work before and during the sale.

Thank You,

Frankie Anthony

We feel this heifer is extremely special. Her picture doesn't do her
 justice, she is a TANK. Super sound footed, big ribbed, and stout
 hipped. These Saint Christopher calves have been making their way to
 the winner's circle at major shows and we feel she can do the same,
 regardless of if you're looking for a show prospect or a brood cow she
 can get the job done!
