Lot 21 is a Frost Bites from Acura 8721. Acura 8721 is pictured above, and is pregnant 1st lactation. Numerous times she has exceeded 10 embryos in an IVF. In 2016 we purchased Seagull-Bay My Octavia (by Octoberfest) from Seagull-Bay's auction for over \$70,000. Her nice teat placement, DPR, and strength, combined with a neat sire, caught our interest. She is now fresh 5th lactation, milking 103 lbs last test! Lot 21 is Frost Bite x Acura x Helix x Octavia.
