

Southwest Virginia Angus

DOUBLE HEADER!

Saturday • April 22nd, 2023 • Noon

SALE SITE

Washington County Fairgrounds • Abingdon, VA

To All Beef Producers

DEAR FRIENDS,

This year we will be selling 50 lots of registered Angus females, which consist of Spring calving pairs, Fall calving pairs, bred heifers and open heifers. There is something for everyone, no matter what time of year your personal preference is for calving.

The twenty-fifth annual version of the Southwest Virginia Angus Performance Tested Spring Bull sale follows the females. They were all fed as a group at G&E Farm in Gretna, VA. They were weighed off test on 3/10/23 and evaluated by a VDACS State Grader. This is a top-notch set of bulls; they averaged 3.94 gain on test and their average 365 day adjusted weight is 1143 lbs. All of the bulls qualified under the Virginia Quality Assurance program and are designated with a VQA symbol underneath the EPDs. Negative BVD PI test at delivery on all bulls. *Look for additional information on the bulls on page 34.*

The sale starts at 12 noon with the females selling first. You are welcome to come by on Friday, April 21st in the afternoon or on Saturday morning prior to the sale to evaluate the cattle being offered for sale. All animals selling in this sale either have no carrier ancestry or have tested AM, CA and/or NH free. We are also on the web at swvaangus.org.

I encourage you to study the pedigrees and performance information on these cattle. Many selling are sired by some of the most proven bulls available in the breed. The consignors of these cattle offered in this sale have been in business for a number of years. They are offering some of their best genetics from which you may select. The EPD's and pedigrees, along with individual performance, will assist you in making your selections.

As with our previous sales, if you do not feel comfortable attending in person, we would like to remind you that the sale will also be streamed live on ***Cowbuyer.com*** where your bids will be received in real time. If you prefer to bid by phone, please contact either Smith Reasor or myself **before sale day** and we will provide you with a number you can call to place your bids that day.

We look forward to seeing you on Saturday, April 22nd. Please feel free to contact any of the consignors or the sale coordinator, George T. Johnstone Jr. at 276-620-4901, or the sale auctioneer, Smith Reasor at 276-620-3123.

Southwest Virginia Angus Association hereby reserves the right in its absolute and total discretion to refuse to accept any bid from any person or individual or to issue a bid number for any reason, including but not limited to, a previous instance of non-payment in a Southwest Virginia Angus Association sale.

Sincerely,

George T. Johnstone Jr.
