Frequently Asked Questions

WHAT HAPPENS AFTER I BUY AN ANIMAL?

Once you have purchased an animal, you will be asked to select a processor. The processor is where the animal will be taken to be custom harvested for steaks, chops, ground meat, roasts and cuts made from the animal based on your choosing. Once completed, the processor will contact you to pick up your product. Your final product will be packaged the way you would see it at the grocery store.

WHERE DOES MY MONEY GO?

A majority of the funds will go to kids to help them purchase their next year's projects supplies and feed. No funds pay for salaries; everyone's time is donated. The auction will keep a small portion to help pay for the expenses such as supplies, equipment, etc.

CASH, CHECK OR CREDIT CARD ARE ACCEPTED.

HOW DO I TRANSPORT THE ANIMAL THAT I PURCHASED?

The Sale Committee and Volunteers take care of hauling the livestock to the processor, so if you purchase an animal, don't worry about transportation.

CAN I SUPPORT THE YOUTH BUT NOT TAKE THE ANIMAL?

YES! You can purchase an animal, pay for it, and donate the animal back. This means the animal will be resold at a livestock auction and the money will be given to the charity of your choosing.

Some suggested charities are listed on the next page.

IS MY PURCHASE TAX DEDUCTIBLE?

In most cases there are tax advantages, but everyone's situation is different. Please consult your tax advisor.

CAN A COMPANY OR BUSINESS BUY AN ANIMAL?

Businesses are more than welcome to purchase an animal. This is a great way to promote your business or company. Many businesses will have the animal processed and use the meat as gifts for employees, use the meat for employee picnics, etc.

Processing

If you choose to have your purchase processed by one of our regular Processors, transportation will be provided by the 4-H & FFA Exhibitor through the Carroll County 4-H & FFA Livestock Sale Committee free of charge. Our regular Processors have reserved a specific number of animals for our fair on their calendar. With the large number of animals in our sale and other county fairs having sales also, not all animals can be processed immediately. Our regular Processors "process" different species on different days, which does limit us. This has animals waiting to be processed for a longer time. Our goal is to have the Exhibitors deliver the sale animals within the earliest time frame to more processors as possible. All animals will be sent to the Processors by heaviest to lightest. The majority of the animals will be processed within the first 2 weeks immediately following the fair.
