Dam: Greiner Sisters 1703 (Big Show x Quantum)
Service Sire: "SYA" Redifer Livestock 6078 (Showoff x Lego)
Due date: 2/15/20

This yearling may be the most potent ewe we have ever sold via the VBES. She is sired by Quantum, who has proven himself as a sire of Champions for our flock and Redifer Livestock. The grand-dam is also by Quantum and is the mother of Leah's Res. Grand Commercial Ewe at State Fair this year. She compliments this lineage by being a big hipped, square built, great topped one that is neat in her chest and good in her lines. The SYA ram will further power her up. We lost Quantum this fall, so this is a unique opportunity.

This ewe lamb is out of a Wide Angle daughter back on Karr 30 ram from Daniel May. I have decided to breed her back to Wide Angle to lineup the consistency for her progeny, just like I have with all the other 1/2 sibs to her that I kept this past spring. Genetically this ones good, and her lineage will back her. Phenotypically the ewe is level lined and good skeleton with a shot of look, she is extra fuzzy!

This ewe has been a brood ewe from day one. Big backed, round ribbed and deep bodied. Her mom, TL692, has been a great ewe. Many keepers in the flock and a wether sold to Randy Hill. Her sire 'JBH SP114 is a triplet son out of the 2016 VA State Fair champion commercial ewe. His brothers were Grand Champion Market at Frederick and Reserve Grand at Shenandoah. He also sire the 2019 Reserve Grand Market lambs at Rockingham and Clarke Co.

1909
3/13/2019
Sire: "Chip" Rill 1116 "Up The Limit" son

Super nice square hip in her. "Chip" stamps them out with a big hip and wide pinned, big rib cage. I am looking forward to lambing these kind of ewes out. "Chip" sired the Reserve Grand Market lamb at Shenandoah Co. and Reserve Heavyweight commercial ewe at the VA State Fair

Lot 120 - Crossbred

1907
1/26/2019
Sire: Sumner Monkey Business son
Dam: JBH 1-(9)12A by a Wheaton ram

This is one of my oldest ewe families. She is the dam of the 2014 Reserve Grand market lamb at the Rockingham Co fair. This ewe lamb is long and thick with some rib. With Monkey Business being the grandsire she should make a good female. Lots of good breeding in this one.

Lot 121 - Crossbred

1859
2/6/2019
Sire: JBH SP103 by "Fuzzball"
Dam: JBH 7-611A

Moderate, crazy wide, big rib. All the pieces to make a super wether. Her mom and grand dam are the same way. JBH 103 is very expressive in his muscle pattern. His grand dam was a Garrett ewe and long time donor ewe for Alpha Omega.
